COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 22-204

Judge:

Complainant:

ORDER

September 8, 2023

The complainant alleged improper legal rulings by a superior court commissioner conducting an extradition proceeding.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission members Roger D. Barton and Joseph C. Kreamer did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on September 8, 2023.

"MOTION FOR CLARIFICATION
OF A PRODUCED FUGITIVE CONTRACT!"

Q What do you need the Judge to do for you Arbitrarily?
Humbly, Said Individual do so Request that the Judge and her Courts
GRANT this Request for Clarification of A Contract (Bilateral)
in Good faith and In the Interest of Justice please!

Q Why Should the Judge move his Courts to GRANT Your Request?
The Reason why the Courts should "GRANT" this Motion is because it is
in the best interest of the law that the Named party above have a
Justified Clarity of the Fugitive from Justice matters from Florida or
any state with regards to a Warrant and a Bond Amount pertaining to a
Warrant pending Contract from out of state being exonerated and closed.
For this reason may the Courts grant the request of said Individual!
