COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 22-233

Judge:

Complainant

ORDER

August 24, 2022

The Complainant alleged a superior court commissioner improperly granted an order of protection.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission member Barbara Brown did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on August 24, 2022.

was said on the for the that later got dismissed by
And what was said on this document was majolicious and false Allegations the
untimely of the was because I needed to prove what was said was false now the judge doesn't want

took responsibilities for my actions I served the time I did what they asked I paid my fees my fines
They didn't want to let me go operation early for some reason Also my argument is what is asking for
co-parenting or talking about a name change if it was a and what's that
at are they going off of the document that was dismissed dismiss because that changes
everything I just everything I accept the harassment I served a I have also

negative towards her about I just was being honest that I was in a view ville what was going on with
the courts And the court process and and I already acknowledged that I was looking at time
and the judge took that the wrong way too to like I What's been opened and honest He added a
To my sentence what just did was make sure that this was set up for failure on my
meaning I had no where to go and when I did get released my relationship fell apart
because of the time Then for left me in the cold on From
of my release I ended up having to go to the Because the my clothes
and I broke out on a rash I have brought this up many

times it's on file So in this case I wanna show the fact that the _____ with her _____ toHired
with her mom to Solely take my parental rights away One of my libraries That facts not just that child
but the siblings around that child This is why I'm trying to push this case to be wrapped up as one
With the complaint brought up and the multiple stories of the multiple stories of the other party
When is it all OK to lie to the courts never I was told But when is it OK for the courts to Somebody

stayed out of a couple times but that was it like I really haven't had a offensible address so I was
already set up for failure You may have seen me so in _____ Because I could not find no job
But now they want me to go up there turn myself in that's what I'm doing through there A warrant
so I'm doing that case no. _____ To be put in one case also in

_____ knowing it would be harder for me to prove that I have _____ new discovery screen shot of her in
base and talking to tribe other players we play with But stuff like this he does not want to
unknowledge he just looks at the fact that I broke it and he thinks I do not accept responsibility
when I have this win the punishment oversees the boundaries one maybe in homeless in the
freezing cold during Winter time no where to go go no food no shelter That's In humane I requested
