

State of Arizona
COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 22-244

Judge:

Complainant

ORDER

September 28, 2022

The Complainant alleged improper legal rulings by a superior court commissioner hearing a family case.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission member Louis Frank Dominguez did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on September 28, 2022.

To whom it may concern, I, _____, am formally and with all due respect, writing this letter as a complaint against the honorable Judge _____ I would like to detail a little about the decision for which I am making this complaint in the following information. First of all, my case is about child support. The mother of my daughters _____ is exposing in front of Judge the Honorable _____ that my documents sealed by the _____ are false, and that I have influence in the _____ which is False. Because of this statement given by _____, Judge _____ is asking me that the Judicial Power of the _____ in _____ irectly send the documents to the Honorable Judge _____ Now I want to let you know that this is impossible since the _____ in _____ does not make this type of shipments. So, the only procedure that I can have done is to apostille the documents, which I have already requested and is in the process of being completed. This procedure is what would show that my sealed documents are valid. I would like the sealed documents to be respected by the _____ and that you already have. If I ordered the documents as _____ ordered me to, this would turn out to be false or that in truth I do have influence within the government, which is false. The next thing I want to explain is that the judge has highlighted the fact that I sent my documents in PDF, the reason was because it is the only way to send them faster when I am working. I would like them to accept the copy of my original documents and to be able to check the seal and legal signatures on these documents. Now, all of this has caused my case with _____ to deviate from its purpose, which is about child support. Mrs. _____ exposes lies about me and the Honorable Judge _____ she is guided by these lies to judge my case. For example, _____ said in the first court that she came to the United States to look for me because I did not provide them with money for my daughters, when the court has evidence of my receipt of remittances, the money was sent to her. This money was sent in the name of the mother of _____ her name is _____ who took care of my daughters because _____ was not in the city of _____ is lying because for the second time, in another conference we had, she said that her reason for coming to the United States was the insecurity that she lives in _____ Even so, the Honorable Judge _____ continues to tilt my case in favor of _____. In this drafted document I only ask that the judge be changed to another judge or that the judge be equal in my case. Now that the situation has been explained, I would like to let you know that the translator who translates my case does not translate it well, nor does she translate everything that I want to let the judge know. So for this reason I would like to complain about the translator and request a change of translator. Since perhaps this has been another reason why the Judge is not sure of my reliability in my person and in my documents.
