ORDER

May 18, 2023

The Complainant alleged improper rulings by a superior court commissioner hearing a criminal case.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission member Delia R. Neal did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on May 18, 2023.

from intimidation, harassment or abuse throughout the criminal justice process. My probation officer lied under oath did not use mitigating factors and I am and you find "all" the evidence on record under Pro-SF and you contact to receive "All" Evidence and Honorable Judge these above people have all evidence of retaliation cover up. I mentioned to Judge that there is a violent crime on my page that the is covering up which is his boss I do believe, and that since he is a judge he is a mandated reporter and if you review my violation report from probation you will see my page. During the hearing my probation officer was making statements that were hearsay no objections or remarks from the Judge. What Judge did to me was very unethical and violates the eighth amendment "cruel and unusual punishment and due process of law because my life and liberty was deprived also cruel and unusual punishment excessive bail. I ask that all emails, text messages phone records be investigated to see if County Attorney probation officer or others may have influenced the judge's decision for my sentence and retaliation and cover. Please review my page and listen to all my videos as Judge is mentioned and also pictures of a beating by Sheriff cover up on a patient
