

State of Arizona
COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 22-272

Judge:

Complainant:

ORDER

February 22, 2023

The Complainant alleged an improper legal decision by a justice of the peace hearing a civil traffic matter.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Copies of this order were distributed to all appropriate persons on February 22, 2023.

COMPLAINT AGAINST A JUDGE

Name _____

Judge's Name _____

Instructions: Fill out only one plain paper of the same size to file a complaint. Describe in your own words what you believe the judge did that constitutes judicial misconduct. Be specific and list all of the dates, times, and places that will help the commission understand your concerns. Additional pages may be attached along with copies (not originals) of relevant court documents. Please complete one side of the paper only, and keep a copy of the complaint for your records.

I had a court date on
before the above JUDGE However, I was
in the hospital for weeks during the
time of said court date even notifying
the court I was in the hospital via my
counselor in the hospital but JUDGE
went ahead and SUSPENDED my class
LICENSE even with the knowledge of me
being in the hospital.

There isn't a court in America that
wouldn't acknowledge someone being in a
hospital Hence obviously cannot attend said
court date unless we are still dealing with
the obvious systemic racism this country
thruces on.
