Disposition of Complaint 22-310

Judge:

Complainant:

---

**ORDER**

June 2, 2023

The Complainant alleged a superior court judge allowed him to be convicted of multiple felonies despite a lack of evidence.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission member Denise K. Aguilar did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on June 2, 2023.

2 Q Would you say this bathroom is three feet wide?

3 A I really don't know.

4 Q And is the machete hitting the sides of the bathroom  
5 wall?

6 A Probably.

7 Q You just don't remember that happening?

8 A It was a fight. It was dark. I'm fighting for my  
9 life. I'm not seeing where the machete is hitting. I'm just  
10 trying to get the machete.

11 Q Isn't it true, ma'am, that the person that attacked  
12 you with that machete is and was not even there?

13 A He was not there?

14 Q Yes, ma'am.

15 A No, that is not true.

16 Q Isn't it true that had been counseling  
17 that he would get rid of you as a payee because you were  
18 stealing money from him and you were about to get kicked out  
19 of that apartment?

20 A I know nothing of that.

21 Q had a real bad temper, isn't that right?

22 A I never seen her temper until that night.

23 Q So you had never hidden the machete from him?

24 A No.

25 If I can just have a minute.
