COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 22-338

Judge:

Complainant:

ORDER

June 8, 2023

The Complainant alleged improper legal rulings by a superior court judge hearing a family case.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission members Colleen E. Concannon and Delia R. Neal did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on June 8, 2023.

Sent to AZ Commission on Judicial Conduct on 1/1 via mail

Thank you,

Mother () will use some of the Motion she sent to Judge as well as add comments for the Arizona Commission on Judicial Conduct in order for the Commission to see the heinous Rulings of Judge as well as how his corrupt (or careless) judgements are putting innocent children in unsafe conditions: physically, mentally, emotionally and morally. Mother will put in bold and enlarge letters of key points but please do not dismiss the other wording or attachments/exhibits.

1) Mother also addresses _____ letter dated _____ to Dr _____ regarding father: “

_____ and the letter goes on that father is not in financial position and asks Dr _____ to alter her assessment. (EXHIBIT G) **Mother reminds Judge _____ the large financial**

discrepancy between father and Mother still exists (EXHIBIT F in the previous reconsideration

_____). As father continues to brag to others about paying off his house and taking flying lessons, yet is now wanting his payments to Dr _____ to be assessed due to his lack of financial funds stated to Dr _____ in the _____ letter mentioned, yet to the court he states it as

‘ _____ ’
Furthermore, Mother would like to bring to Judge _____ and the court’s attention that _____ was admitted to _____ and unfortunately diagnosed with _____ (Mother will refrain from going into details or how this affects _____ as well as _____ emotionally etc: as _____ has stated “

“....but that is no reason to hold accusations and allegations against a chatty person legally in custody issues or ignore continued abuse.....) (EXHIBIT J) (Court has _____)

Mother has also spent an exponential amount of money in lawyers fees and evaluator fees and spousal repayment fees with ever surmounting interest (EXHIBIT L) per Judge

Ruling. In addition Mother reminds Judge _____ that

(_____) **pressed charges against Mother when the children were crying out for help**

“ _____ ” – calling it ragdoll – most recently

Mother found out these charges have been showing up (per Judge _____) on her background check for employment and they show as _____ even though Mother is not the one who has acted out in any domestic violent way and fingerprint clearance card was revoked (EXHIBIT F reconsideration)

Judge _____ unjustly mentions the \$ _____ received in the Divorce settlement in his first Ruling as if Mother has not had to use it these past _____ for lawyers, evaluators, to live on, auto maintenance, father not getting child support payments started by _____ caused domino effect in getting into a new home etc etc job loss

due _____ at first then unjust criminal charges. Mother humbly asks Judge _____ to take this all into consideration not only for the financial in question for _____ but also the

pattern set by father's behavior, continuing (Judge does acknowledge how is this
not significant later in court with a total of for

Also take into REconsideration **how does domestic violence not affect the
children or how can child abuse and be truly separated?) (EXHIBIT J)**

- a. Another point to bring to Judge attention is that in Recusal to the
court itself she states that the court said father did not abuse the children however
Mother implores the court-Judge to REconsider his own wording as
well as not dismiss the signs of child abuse and also Mother asks Judge
to take a look at his own bias that he mentions to
in court:

FIRST:

'ACTION REQUIRED' (EXHIBIT J) states "

Then a REPLY from and father regarding their own Reconsideration
was allowed guise" inadvertently overlooked) and yet

Court states Ruling on Motion for Reconsideration

"....in which 2 different judicial officers found after lengthy hearings that the children
were not abused by

Mother points out, however: Therapist including but not limited
to ' ') (EXHIBIT F), and

all make mention of the children's fear and in Report
does find Domestic Violence (Court has and Decree) when children
are in the presence of father/ engaging with children. *see attached states no corporal punish.*

***AZ Commission: Please see that Judge refuses father's
Reconsideration to reword the original working that the lawyers came up with,
yet then turns around and actually DOES reword the Ruling and then goes onto
to say no abuse has taken place even though children's therapist, a court
appointed as well as court appointed Psychologist
have all concurred (on their own expertise, not
corroborating) there is abuse and/or the children are in fear of father.

Judge is haphazard in his ruling and even completely biased
and has only gone by one psychologists' opinion: This person was paid by
