COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 22-349

Judge:

Complainant:

ORDER

June 15, 2023

The Complainant alleged improper rulings by a superior court commissioner in a dependency case.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission members Barbara Brown and Colleen E. Concannon did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on June 15, 2023.

Misconduct is defined by dishonesty. When a judge lies it's dishonest and a form of misconduct. I signed an order to have my children removed based on abandonment which claims he identified and is untrue. I did not abandon my children. No information Judge has collaborates me abandoning my children and therefore is a lie and the rules of misconduct must be applied. He also signed and order stating my kids were in imminent danger when as well as Police left them in my home ago after contact. also asked me to pick up my daughter from which I did and if imminent danger was present that should not have been left nor should I have been told² to pick her up.
