

State of Arizona
COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 22-376

Judge:

Complainants:

ORDER

July 10, 2023

The complainants alleged improper rulings by a superior court judge hearing a petition for an order of protection.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission members Colleen E. Concannon and Scott C. Silva did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on July 10, 2023.

Good morning,

My son, [REDACTED] and my family have been victims of [REDACTED], who enjoys making a mockery of the court system and the courts go along with her. Attached please find an Order of Protection about " [REDACTED] " that Commissioner [REDACTED] signed off on not knowing the truth facts.

Before a Judge or Commissioner signed off on this type of Order there definitely needs some type of investigation before admitting to deceit and lies contained herein. We need to utilize victim rights for we have been put thru the AZ Judicial System via

I will be submitting a Motion as such.

This was out of a family court case originally with Judge [REDACTED] who we requested over and over again for assignment of a new Judge when Judge [REDACTED] took away my son's rights as a Father, after [REDACTED] years of parenting and my grand parent rights as well. [REDACTED] background consists of absolutely no type of family law.

Judge [REDACTED] was so unfair, was very partial to [REDACTED], rude to me and my son at every hearing, allowed [REDACTED] to violate court orders, she allowed even the supervised visitation to go by the wayside; never acknowledged modification of child support wherein this mother was a dead beat Mother for [REDACTED] years but somehow gets the " [REDACTED] " award from Judge [REDACTED]. [REDACTED] actions have been reported to AZ Judicial Conduct review but yet nothing has been done.

As a result we have not seen or heard from this child since [REDACTED]. [REDACTED] really needs a mental evaluation. [REDACTED] years ago she was involved in

a car accident at in the morning wherein she had children in the vehicle taking them to school; she filed a lawsuit against the driver; she lost due to her failing a toxicology report; having my grand daughter in the vehicle.

THE AZ JUDICIAL SYSTEM NEEDS TO MAKE NOTE THAT
