

State of Arizona  
COMMISSION ON JUDICIAL CONDUCT

---

Disposition of Complaint 22-387

---

Judge:

Complainant:

---

**ORDER**

June 15, 2023

The Complainant alleged a superior court judge refused to rule on a motion in family case.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission members Barbara Brown and Colleen E. Concannon did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on June 15, 2023.

To whom it concerns,

I am sending this email as an official grievance against \_\_\_\_\_ judiciary, and her  
I am asking that an investigation be performed, and discipline enforced. I have BCC'd many individuals, for  
ongoing support and accountability. I am willing to go public if needs be. \_\_\_\_\_ is the original case. This  
recent obstruction of justice is in reference to \_\_\_\_\_ emergency orders) and \_\_\_\_\_ (petition to  
modify) as requires by emergency orders.  
This judiciary " \_\_\_\_\_ " is clearly not honorable in any fashion, and willfully ignored substantial evidence that  
proved the motives and intent of parent \_\_\_\_\_ in regard to the continued kidnapping and parental  
alienation of shared minor child \_\_\_\_\_ The judiciary sited the cause for denial as a lack of evidence and  
the required supporting forms. I have attached a screenshot displaying the paid fees/forms filed the same day. This is a  
deliberate attempt by the judiciary to ignore facts pertinent to my case. This judiciary has displayed GROSS abuse of  
authority and acted with bias towards the best interest of the minor involved. I am willing to provide whatever  
additional support is needed to rectify this situation, and to see that this judiciary can no longer abuse the trust of the  
people. I have already spoken with the Governor's office concerning this matter, and received support. Additionally, in  
attempting to speak with the \_\_\_\_\_ concerning the matter; I was met with rudeness, hostility, and complete disregard. This  
individual kept parroting " \_\_\_\_\_ " then hung up on me. She refused to address and of my questions  
or concerns. This is disgusting behavior from courts employees, and seems to represent a general hatred and disgust  
towards the general public. If this is how you treat \_\_\_\_\_ then I'm sickened to think how you
