Disposition of Complaint 22-388

Judge:

Complainants:

ORDER

June 28, 2023

The Complainant alleged erroneous and biased rulings by a justice of the peace hearing a small claims case.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission members Colleen E. Concannon and Scott C. Silva did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on June 28, 2023.

*I have written additional papers
as this is not enough to explain
the complete case -*

(1)

I came before

on

in

My case was concerning a
cosmetic procedure that wasn't
done correctly - that I received
from

who worked

at the

in

- she turned out to be
not only incompetent but also

inexperienced - There was no

difference to my face when I

returned - was later as I was

instanted to do to see the

Results - she immediately told

me I would get the majority

of my Money Back - She

told

my treatment

wasn't complete - that was a

lie - He believed her -

told the

Judge she owed me money -

she had sent me a check for

over

But

(2)

said I had to give it Back
to her on Find her Free
of all charges, I had it
in writing she owed me money -
Her mgn told me for

months I would get my
money Back - He threw out
my suit against him because
he gave me a phoney name
& the Judges clerk lost
my green card that I had
Returned; I guess the Judge
Blamed me for what his clerk
did - I knew then this
was not going to be a Fair
decision -

did not even
know that I had to sign
a Release Form & pay for
this procedure in Full
Before anything was done -
He's a judge & he didn't
know that -

(3)

told the
judge almost over 90% of
lies - why did he believe her
over me?

Her Mgr told me
had been
fired because of what she
did to my face.

Everyone in that Courtroom
knew she owed me money
except the Judge -

On the way out of the
Courtroom - we over heard
some one from the Defendants
side say - "Who paid off
the Judge" this came
from the side who he
decided for -

This was just a Joke -
But

cost me over
for his bad decision,
I believe had
decided the decision before

① He even came out - what else could be accounted for this poor ~~in~~ and inaccurate Decision -

I think you should check into prior decisions that he made & perhaps you will see a pattern - No one else should have to ~~be~~ have a loss like I did - That was a lot of money for me to have thrown away for bad results from incompetent people & bad Decisions - I had to be him at the end - that he might know the laws & Rules but he sure doesn't know Right from Wrong - I hope his Team is coming to an End soon, he is anything but a Judge -
