## ORDER

### July 5, 2023

The complainant alleged improper legal rulings by a superior court commissioner hearing a family case.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Copies of this order were distributed to all appropriate persons on July 5, 2023.

Dear Judicial Committee, My name is submitting a complaint in regards to my divorce petition which I'm finding facts of extrinsic fraud under rule 60d and perjury for hiding assets and finances. When petition was filed on , I was not aware so that I could fight for my marriage and request

for counseling nor was I given copies . During the entire process All of my motions for spousal support, and exclusive use of marital property which was denied and my daughter and I were left homeless on street. She allowed my husband to keep car after stealing key back and he had a vehicle. I even asked for her to restrict him of any dating women or communicating with them til it was over. I was denied. Judge did not revise herself after doing for change of judge based off facts that she was bias and not granting me anything. I motioned that he was in contempt and compel and adultery was reason for petition and he was stealing my mail and lieing to courts that I wasn't responding and mailing my mail back to himself knowing I was restrained from my home. I submitted evidence of aliases and financial fraud and perjury and asked for dismissal with prejudice. I was denied. Evidence of him committing criminal acts and fraud upon the court due to petition being filed way past the time allowed.. There were no two signatures on consent decree that I objected too based on findings of criminal offenses committed against me. Fraud in settlement. Perjury was told in Divorce Settlement Judge face about him being a real signed decree anyway without investigation on estate investor. Judge anything I submitted and she signed decree with allowing him to divorce in a fraudulent middle name that I submitted to her in discovery that she denied. Please is fraud and needs to be disciplined. My decree is help me with this. Judge fraud intentional perjured and my rights was taken from to me by party and atty and judge. Iam still fighting for case to be dismissed with prejudice in its entirety. I will be fighting for petition to be vacated and set aside along with criminal charges being filed. I submitted notice to court as well about case and was still denied. Petition is a whole lie and defrauding the courts and rigging the system was allowed by Judge
