**ORDER**

May 18, 2023

An anonymous complainant alleged a superior court judge accepted bribes in two family court cases.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission member Delia R. Neal did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on May 18, 2023.

To whom it may concern,

I work in the County Court, and I discovered that Judge has accepted  
bribes from two separate defendants in cases. I thought this should be brought to  
your attention.
