**ORDER**

July 5, 2023

The complainant alleged improper rulings by a superior court commissioner hearing a family case.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Copies of this order were distributed to all appropriate persons on July 5, 2023.

The judge mentioned in this complaint first hearing was in \_\_\_\_\_ I attended this hearing only months after the hearing in \_\_\_\_\_. The hearing was before the Honorable \_\_\_\_\_ I was back and fourth within this courtroom with \_\_\_\_\_ due to the opposing party attorney and her client ignored and tried to distract from what was discussed in \_\_\_\_\_ in front of \_\_\_\_\_ and this went on for about appox. \_\_\_\_\_ months and during that time I continue to provide my statements without informing this court about the sexual assult that happened to me due to avoiding the opposing counsel trying to take back to other case to prep her other client. I explained to Honroable \_\_\_\_\_ why it took so long for me to come fourth in my filings but again in \_\_\_\_\_ it was stated the calculations needed to be adjusted due to the years mom volunteer to not assist father while kids was living only with day for those years and the fact dad had also been coming out of pocket several more years when mother was suppose to by court order fund the kids parenting time with father. After the opposing attorney for both cases withdrew leaving in statements that allege potential fraud the two mothers in each case begain providing false information into court to empower each case and upheld by the judges without clear reasoning on why fact and findings should be the only use in these cases. Judge \_\_\_\_\_ in Oct \_\_\_\_\_ finally set the case to the assisgned Judge \_\_\_\_\_ and still to date awaiting for a true fair hearing and someone to truly show this process is in the best interest of the children. I have been placed on numerous prudges even though so many clerical errors have been placed in writing and actual fact and finding ignored. This happen to me and it also make me wonder how many other cases throughout this state let along throughout the \_\_\_\_\_ courts States. I have been wrongly acussed, incarenrated and charged alongg with discriminated.
