**ORDER**

July 10, 2023

The complainant alleged a justice of the peace ordered an excessive bond amount in a criminal case.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission members Colleen E. Concannon and Scott C. Silva did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on July 10, 2023.

On or around my son who has  
issues and had been on Social Security from the age of  
until he was had fines due here in County Justice  
Court. I have been keeping in contact with the courts as  
he is currently awaiting his Social Security as he has applied  
again. Explaining this in a motion to the courts I requested  
that he have an extension or be able to pay per  
month. looked at the motion and emailed me  
back stating no she was denying it and he had to bring  
it current immediately or a warrant would be issued  
for his arrest. I then wrote the courts back  
asking for a different judge to look at the motion  
and Honorable Judge over road  
and granted the request. and I have  
had problems for many, many years. About  
years ago I use to go to the bars and so did  
on more than one occasion she was drunk

and became confrontational with me. When I see (page 2)  
her in public she laughs at me. This has been  
going on for years. She is very unprofessional. Wele  
yesterday my daughter was arrested -  
she was going to be arraigned this morning. So prior  
to her being arraigned I sent over an email (see  
attached) After sending the email  
still completed my daughters arraignment and put her  
under a cash only bond - its obvious she  
did this out of spite to get back at me for judge  
overriding her on her decision in the  
motion for my son. My daughter is charged with  
felonies that I'm sure will be dismissed once  
a proper investigation is completed. I looked over  
the procedure and what judges are suppose to take  
into consideration when placing a bond amount.  
Let me assure you this was not done. My daughter

Chas never had a felony. is not a threat to the community or victim and she's definitely not a risk flight. I know individuals who not long ago was in there for murder and robbing individuals with guns their bonds were not even this high. I stated in the email that the cops did not have to hunt my daughter down she spoke with them over the phone and she agreed to meet them at the local police dept and that's what she did. It is obvious is retaliating against me through my daughter and it's not right and it's definitely not justice. She is using her position for her own personal problems that she has with me. In court they do what they want but at some point they need to be held accountable too. If you need further information please don't hesitate to contact me. Thank you.

Somehow the motions grow before between me &  
and Judge

are no longer in my email but in case the courts have the documentation. (attached)

To whom it may concern,

I am contacting you in regards to my daughter  
Police Department on false charges.

who was arrested yesterday by

My daughter currently has a lawsuit on County that has been going on for about years now, I will be contacting her attorney tomorrow for her to add this to the list. I know that I am not able to attend her court hearing so I am respectfully asking at this time if she could be released to myself 3<sup>rd</sup> party. Also I would like to mention that we have problems with the family and also attended school with Judge I personally know of his relationship with the Family and and I have had several problems in the past because of her unprofessionalism and she knows is my daughter so due to conflict of interest I ask with all respect another Honorable Judge be present to complete her arraignment.

They did not have to go looking for as they showed up at my house looking for her and I called her and she agreed to meet them at the police department so she is definitely not a flight risk. Once a proper investigation is completed I more than positive these charges will be dropped. Last night the owner of the pawnshop provided me footage of the camera to prove innocence that PD did not take the time to view. The owner actually went to the store late last night to provide it to me. As the individual who rented a laptop from had pawn it the reason being he supposedly did not have his ID, but he was aware of the pawn and was clearly in the pawnshop at the time of the pawn. The pawn has been paid in full something the other individual was supposed to do but was paid by has a year old daughter who she is a single mother too that needs her mother. I truly appreciate you taking this all into consideration.

I will be making a complaint today on the Police Officer who arrested her without completing a proper investigation. So I respectfully request at this time she be released to myself. My phone number is I will be waiting this morning watching on if available the arraignment. I appreciate your time in this matter.

Thank You,
