#### ORDER

April 5, 2023

The Complainant alleged a superior court judge (now retired) violated his rights in a criminal case by granting his request to represent himself and then denying a request for a trial continuance.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission member Joseph C. Kreamer did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on April 5, 2023.

| 12 | My understanding is that, at least the last               |
| 13 | contact that I had with Judge was that you were           |
| 14 | wanting to represent yourself.                            |
| 15 | Is that still correct?                                    |

| 25 | THE COURT: Okay. We can have the clerk do that.           |
