COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 23-007

Judge:

Complainant:

ORDER

July 21, 2023

The complainant alleged biased and improper legal rulings by a superior court judge hearing a juvenile case.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission member Christopher P. Staring did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on July 21, 2023.

The judge is only listening to _____, my children were illegally removed and have been parental alienated from me, my lawyer and I have proof that I did not relapse. I have cameras of my _____ caseworker yelling at me threatening to remove my children because my son was overstimulated. They have no facts and this is all he said she said and my caseworker or someone altered with my drug screen. I have proof of everything, the day before they handed me my case closure letter. They took my daughter from school with out notifying me and sent the cops whom attacked me while I was my home in front of my son and stole him. I have no paperwork from their removal. Or from when they came home. The judge will not let me defend myself in court with my supporting evidence. They also had something to do with somehow I wasn't receiving my lithium and are using my disability against me, I am protected by ada. She's very One sided. I am in _____ constortion I know for a fact. And she ordered s and a and I tried to ask on what grounds and she refused to speak to me. They are breaking my civil and ada rights and my kids are not safe when I see them they are very tired and unhappy. I have supporting evidence. Please help my family, I completed their case plan, made changes, made some growth. This is unfair and due to the malicious and erogonus magnitude of a state workers actions. Along with the judge and whoever else. My daughter told me crying that they stole her from school, because they did and she got in trouble for telling me that. Please help make this right before the holidays. God bless.

Respectfullv.
