ORDER

August 1, 2023

The complainant alleged a city court judge did not listen to a litigant's concerns and failed to consider a disability when hearing a criminal case.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission member Denise K. Aguilar did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on August 1, 2023.

Dear court administrator recently I discussed my case and my concerns of discrimination and unfairness with a court supervisor named , I mentioned to her that I had been recycled back into a courtroom I was removed from for behavior after filing a complaint with the court. In a letter that I wrote with my current stalking case along with my continued efforts of bringing to the Court's attention several factors that contain evidence of foul Play in regards to my fine, community service classes and jail commitment. Ive been rigorously trying to explain to Court what my and are doing to me and that she's an employee for the jail hes sending me to. That I have a disability he has already dismissed and that she has threatened to cause me harm if I ever go to jail. She is an at the jail by the way. Both parents said she was going to " " and that her friends will do absolutely anything for her. I have a police report and overwhelming evidence that I would also like to bring to your attention and was hoping to discuss with but he cutt me off on our telephonic hearing. My initial inquiry of disability discrimination and how he stated he told me to stop talking, and that my disability wasn't anything to do with my court case. In my recent telephonic hearing he states that he can only investigate my DUI case and that I should contact police about that matter. Even as I've already written a letter months before hand explaining in detail what's occurring and the police report associated to my stalker. He never asked me any questions in regards to my stalking letter about jail officer and her husband and others that have been stalking me. I am in fear for my life now and feel like judge doesn't want to assist me for reporting him initially as a form of retaliation.
