

State of Arizona
COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 23-044

Judge:

Complainant:

ORDER

May 18, 2023

The Complainant alleged a justice of the peace pro tem improperly denied his challenge to personal jurisdiction in a traffic case.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission member Delia R. Neal did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on May 18, 2023.

Hello my name is not to be confused with the legal fiction and im contacting the Arizona Commission on Judicial Conduct because the JUSTICE COURT is ignoring my special appearances and are not responding to my rebuttals to the presumptions of court (Canon 3228). I have appeared in court by special appearance twice and they keep ignoring it and keep putting unlawful warrants out for my arrest. This is not right and they have no legal ground to keep moving forward after i constantly challenge in personam jurisdiction. The case number is and the Pro Tem Judge is Hon. . Please contact me at pr at email thank you for your time.
