Complainant:

ORDER

September 8, 2023

The complainant alleged improper legal decisions and poor demeanor by a superior court judge hearing a criminal case.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission members Roger D. Barton and Joseph C. Kreamer did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on September 8, 2023.

To whom it may concern,
my son saw Judge twice during the time to except the plea, and sentencing. In both incidences Judge continued to bash my son calling him a menace to society. Judge also repeated charges that the prosecutor was not charging my son with because there was no proof. He is innocent until proven guilty. My son was not charged with the death of a man who over dosed, or charged with a stolen car. Judge kept referring to ~~the~~ my son committing these crimes and ultimately decided to give him years because of the accusations he was not charged with. ~~the~~ crime was drugs, non

Violence. He deserved a fair sentencing
for the crimes he did commit, and
only is fair in eyes of the law,
there was no need for the disrespect
of my son. Judge does not
know my son or our family

Thank you for reading
this and deciding if this is fair
to treat families like trash. Please
listen to court hearing.

Best Regards
