COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 23-058

Judge:

Complainant:

ORDER

December 26, 2023

The Complainant alleged improper demeanor by a justice of the peace hearing a civil case.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Copies of this order were distributed to all appropriate persons on December 26, 2023.

I unfortunately had to see JP. Not only was he rude, he embarrassed me in front of another person. He would not let me talk even though he gave the other man a favorable response and let him ask questions.

I hope this helps JP learn how to treat people. I was not under arrest just trying to keep my dogs safe.

I am not an idiot. I have my in. Also I graduated while raising my children by myself. What JP does affects all of us. I understand its an elected position can't undo that. I will however not be silent.

Sincerely and Sadly,
