Complainant:

ORDER

July 14, 2023

The complainant alleged a superior court judge failed to consider relevant evidence and follow the law during a civil trial.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Copies of this order were distributed to all appropriate persons on July 14, 2023.

Dear Arizona Courts and the Arizona Supreme Court,
To whom it my Concern: My Vote!
I am Filling This Complaint Against Judge .

I'm Claiming Judge _____ Committed an Act of War against me and the Citizens of Arizona.
This is with accordance to the Constitution of the United States of America. In Violation of his Oath of Office.

During an Election all evidence of a Crime has to be fully investigated, All evidence is to be Presented to the Public through the Court. Not only did Judge _____ NOT allow of the crimes to be presented before his Court, he cut short the Hearing and made of his ruling, on the Case on eve. A sign of Guilt.

I contend that Judge _____ by not allowing the evidence of serious crimes to be Presented in his Court room, during an election, he has committed an Act of War per the Constitution of the United States of America. His blaring lack of Commitment to the Court to find the Truth is stunning. To the point of possible Collision.

All Election evidence of a crime is to be investigated heard in Court, This is a public trial and Judge _____ can NOT pick and choose what evidence he can and can not be heard during an Election. There is evidence of serious crimes that happen during the election. Just to be thrown out of court! Not to be heard. This is an Act of War according to the Constitution of the United States of America.

The Court of Appeals can't rule on the Actions of Judge _____ . Although the Court of Appeals, Should have ordered all the evidence to be presented in their Court! I will be filing a complaint on those Judges Too!

The Arizona Senate did have hearing on the Evidence, it showed major crimes happened, It's official evidence done under oath. Judge _____ would not allow this to be Presented in his Court. Serious Crimes?

There was also evidence Election Interference, Money Laundering that have never been investigated. Per the Constitution. These are serious Crimes for an Election. If Judge _____ would have let the evidence to be presented, I'm sure the Truth would come out.

Speaking of the Truth, The lack of action by Judge _____ is stunning in NOT trying to to find the Truth. There is a mountain of Official evidence that the Arizona Senate has shown in their Official Hearing, You can only come to the conclusion Judge _____ did this on purpose.

I'm filing this complaint as a Citizen, and I'm not affiliated with any group. I just care about my vote! I don't have enough money to sue you for my vote and to do your job. I depend on the Court to make sound rulings.

I'm also sending a copy to the Supreme Court of the United States.

Thanks for your Time
