ORDER

December 26, 2023

The Complainant alleged improper legal rulings by a superior court commissioner pro tem hearing a criminal case.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

To whom it may concern:

On _____ I was tried in the
court of _____ County case No. _____. The
Judge Presiding was one _____ who from the
First court date consistently attempted to impose fear
~~using~~ ^{using} the threat of Enhancing My sentence if I didn't
plead guilty citing ^{Allegedly} I had Historical Priors. I was
offered _____ years which I acknowledged was a good plea
and were I guilty I would jump on it. I told the court
over the Phone (Due to Covid 19) on a conference call that
the Lord I serve who I call My Heavenly Father hates
Deceit and I couldn't in good conscience swear to
tell the Truth then lie by admitting guilt. Judge
responded perhaps I could plead no contest and give credence
to the lie that I burglarized a residence. The
residence was full of HD cameras so I felt secure
that Justice would prevail. I didn't meet my counsel
fill _____ for the first time as
I was ordered to stay in Arizona where I had no family
transportation or Job and lived in a camper _____ miles
outside of _____. My Parents flew out from
picked me up and took me to meet my defender for the first
time. I had several times tried to meet Her when I
was able to get a ride. Actual Justice is tempered with
mercy but the "Honorable" _____ refused to allow me to
even review the evidence the Prosecution was using before
I was tried. The "Honorable" Judge allowed the prosecution
to use tampered evidence that should and would have
exonerated me as it ^{originally} showed clearly in HD that I
never went on anyones property much less in A

residence, I saw the videos my codefendant got from Her lawyer and I have them or rather my Parents have them and I will be pursuing civil reparations for the Prosecutorial and Judicial misconduct not to mention the Blatant lack of Defense. At Sentencing I admonished the Prosecutor ~~that~~ that I knew He had reduced the Quality of the Video so the features of the People that Did enter the house were obscured and used only one video that showed a Head Peek round a corner ~~with~~ ^{with blue} a hoodie pulled on the Head () then a different head () then ^{again with} the hood pulled back and suborned the "victim" who hadn't lived in the house since to perjure herself and claim she saw three people in her house which the 911 call and police report never said only two people were reported. The "Honorable" unjust Judge stopped me and said not to make disparaging remarks about "His" prosecutor (the up and coming rising Star Prosecutor who never lost a case)! I replied that I wasn't making disparaging remarks about ^{that I thought} He was a very zealous Young Prosecutor who would go far did He obtain convictions ~~from~~ through the illumination of truth and righteousness. I then admonished them that they were sentencing a innocent man and the "Honorable" ^{revealed} with his own words that He wasn't Qualified to represent anything called Justice and furthermore was and is complicit in the undermining of the

very sovereignty of Our Nation. He said it didn't matter if I was innocent I had been convicted (without proper defense) by a jury and my innocence was irrelevant that this was "Justice" served!!! He then went outside the law and enhanced my sentence using a drug offense from Out of state that was over years old calling it a Historical Prior! Arizona Criminal Code Defines a Historical prior as a felony occurring in state in the previous 10yr and a felony conviction out of state in the previous 5yr! should know the Law ~~but~~ and I am sure does, but chose willfully to ignore it and apply his ^{own} skewed (Not to mention Blasphemous) and self-professed Idea of Justice and its application. Our Father in Heaven is true Justice and ever applies it lovingly and Mercifully even to people like

and his beloved when they willfully and deceitfully malign the name of Justice for their own selfish Aggrandizing sinful reasons.

Quit a few months later! All things done in Darkness come to light and I assure you I will not rest until Justice is Restored and applied to All men Equally.

Evil done to one who loves God, and daily commits that it is My will to Do your will in every situation and conversation works for that creature personally for the good. While it isn't Human nature to be Merciful and loving towards those who conspire to perpetrate Injustice upon the Innocent

I refrained from writing this until I had rooted out the animalistic tendency to strike out and held my tongue until I had Prayed for them many times that they might be afforded Mercy when they have passed from this realm and Faced themselves Before the Ancient of Days of Our Superuniverse! He is a Supreme Arbiter from whose judgment there is no appeal whether You Believe it or not is irrelevant for the Law of the Universe of Universes AKA The Master Universe for at least the Finite realms of Time and space where Error is Possible is that Whatever Mercy cannot Rehabilitate, Justice will surely Annihilate. As a ~~thief~~ accused ~~thief~~ in the night I Manifest in Fulfillment of a promise to Mankind to return as ^{like} a thief in the night no man knowing the time nor the place! Not even I knew but it has been revealed through the situation and circumstances ~~of~~ resulting from the Misapplication of Justice to put it nicely! needs to know that when the least citizen of a nation is not afforded the Fair and impartial application of Justice the very sovereignty of that nation is undermined, and if done consistently for the Profit of the Individual not for the spiritual advancement (True Profit) of Society that same society will become morally bankrupt. ~~and~~ This will ever result in the inevitable destruction of that Society (Tribe, race, nation or planet). It is my hope that whomever may peruse this

letter doesn't have the same outlook as the Honorable _____ on Justice and its application. My Prayers are ever that All men kind be elevated to know Heights of realization that we are all spiritual family, Spirit Sons ^{and daughters} of Our Father the First Source and Center of All things, Bestower of Personality, Infinite Upholder, The one Uncaused cause and source of All levels of Reality ranging from Absolute Perfection to the Finite realms of Progressive perfection obtained by the exercise of free Will to choose to abide by His Will as revealed through and By His Paradise Songs. What Love to lay down the lines of Power to incarnate as a creature and live as they do experiencing the very potential of embracing Error and even the very imposition of the Deceiver all the while unaware of Divine Identity. It is my hope _____ will be at least admonished and held to the Higher standard that must apply to those in positions of power. I hold no ill will towards Him as a person while I despise the actions and blasphemous besmirching of ^{our} Universal Fathers character which is Justice. In the act of Mercy I write this that His Error may be illuminated and hopefully He will recognize and turn away from the Path that leads to Personality Annihilation and will Adhere to a path of Righteous Application of Merciful Justice or if removed from the bench ^{that} He know the error of His actions and Ideals ^{since} _____
