**ORDER**

September 15, 2023

The complainant alleged a justice of the peace violated rules of procedure in a civil case.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission member Barbara Brown did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on September 15, 2023.

**COMPLAINT AGAINST A JUDGE**

**Instructions:** Use this form or plain paper of the same size to file a complaint. Describe in your own words what you believe the judge did that constitutes judicial misconduct. Be specific and list all of the names, dates, times, and places that will help the commission understand your concerns. The Court hid the Motion to Remove by the Defendant, so that I could not formerly respond to the Motion. I had days to respond, but was denied each time that i inquired to do so. The Judge honored a Motion to Remove, which was dated days ( ) after the service of the original summons to the Defendant was made. Federal law only allows for a Motion to Remove by the defendant no more than days after such service of the summons. The Judge failed to recognize this, along with the the assigned Judge  
They ruled that I had not responded to the Motion to Remove, therefore my remand of the Motion was not to be heard. These are violations of federal laws, which are felonies. Why can a Judge, and their court system that they work in, be allowed to commit felonies?? As of Judge determined that my responses to the court were denied.

Plaintiff sought out to place this current response to the Motion to Remove originally on , but the clerk of court did not recognize the Defendant's Motion to Remove legally submitted. As the Plaintiff, I called the clerk of court on and of , in order to make sure that no Motion to Remove had been submitted by the Defendant. In each phone response, the court had no record of a Motion to Remove by the Defendant. Furthermore, because the date of service of the summons to the Defendant is recorded to be as of served by Constable of the Defendant lawfully has not submitted their Motion to Remove within their allotted days from date of service of summons. (U.S.C Title 28 of the Judiciary and Judicial Procedures [§1446b Procedure for removal of civil actions]). The Federal Local Rules for Civil Procedures (LRCiv 3.6b) indicates that the state court record must be filed when the notice of removal was filed. If the Defendant legitimately filed their Motion to Remove on they missed their day window to file the Motion (§1446b Procedure for removal of civil actions), and the Court failed to acknowledge the Motion to Remove as a court document until (LRCiv 3.6b).

Judges (and the court system) are to be held to be honorable, while the actions of this court and the judge were not of such honor. As U.S. citizens, we are held accountable for all laws of our government in place. I understand rulings are made based on interpretation of the laws, but this was a conspiracy to support the defendants and their attorneys, and did not care to uphold the laws in place to protect U.S. citizens.

**COMPLAINT**

Amended Complaint

Plaintiff alleges that this Court has jurisdiction over this matter.

I am suing the defendant because:

The defendant has denied my ability to receive prescribed treatment using the least harmful medication, but they have inflicted a list preferred medications. This policy is in violation of federal law called "bid rigging" under the US Anti-Trust law of the Federal Trade Commission. This also violates "other Agreements Among Competitors" of the same Anti-Trust Act. The drug \_\_\_\_\_ had been chosen by my PHD Dermatologist, while the insurance of lesser knowledge followed the strict rules put forth by the defendant. My diseases are complex and require an understanding, while the predetermined, required medicines were their choice, as they pushed for my selection of one of the four to be required first, before I would be allowed approval of \_\_\_\_\_. The side-effects of their required medications can cause me loss of limbs, and even loss of life. These non-PHD employees that make these decisions to deny a medication is solely motivated by the fulfillment of agreements set up with pharmaceutical manufacturers, thus deny use of any other medications. My \_\_\_\_\_ is overwhelming my body, while \_\_\_\_\_ threatens the loss of my feet. The defendant puts their commitments to these drug companies over the well-being of the patient. The defendant is grossly negligent and coerced to force the use of more harmful medications.

I am asking the court to award me judgment against the defendant(s) in the sum of \$ \_\_\_\_\_ plus court costs \_\_\_\_\_, with interest until paid, plus all costs of this suit. (state claimed damages)

I state under penalty of perjury that the foregoing is true and correct.

### **REMOVAL TO FEDERAL COURT**

(a) **Procedure.** A defendant or defendants desiring to remove any civil action or criminal prosecution from a state court shall file a Notice of Removal, signed pursuant to Rule 11 of the Federal Rules of Civil Procedure. The notice must contain an affirmative statement that a copy of the notice has been filed with the clerk of the state court from which the action or prosecution has been removed. In addition to submitting the civil cover sheet (AO Form JS-44), the removing party must also submit a “Supplemental Civil Cover Sheet for Cases Removed from Another Jurisdiction.”

(b) **State Court Record.** The removing party must file copies of all pleadings and other documents that were previously filed with the state court, accompanied by a verification from the removing party or its counsel that they are true and complete copies of all pleadings and other documents filed in the state court proceeding. Unless the removing party files a motion requesting an extension of time for good cause, the state court record must be filed when the notice of removal is filed.

(c) **Pending Motions.** If a motion is pending and undecided in the state court at the time of removal, the Court need not consider the motion unless and until a party files and serves a notice of pending motion. The notice must: (1) identify the motion by the title that appears in its caption; (2) identify any responsive or reply memoranda filed in connection with the motion, along with any related papers, such as separately filed affidavits or statements of fact; and (3) state whether briefing on the motion is complete, and, if not, it must identify the memoranda or other papers yet to be filed.

(d) **Jury Trial Demand.** In a case removed from state court, a party must comply with Federal Rule of Civil Procedure 81(c) to preserve any right to a trial by jury.
