**ORDER**

September 29, 2023

The complainant alleged improper legal rulings by a superior court judge hearing a family case.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission member Barbara Brown did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on September 29, 2023.

RE: Complaint regarding Case #

Dear Sir or Madam:

At the direction of the Office of Professional Responsibility (see attached), I am forwarding my complaint to the Chief Judge of the Additionally, I am forwarding my complaint to the Arizona Commission on Judicial Conduct.

As my father's multitude of complaints and now MY complaints have fallen upon deaf ears in the Arizona Court, and with I believe this is the appropriate action. I am including all correspondence between myself and Judge My father's multiple attempts dating back several years to ask for help when Judge was presiding over our case can be found all over the docket, and are public access.

These Judges in-action, unethical, and immoral excuses are unconscionable and in no way represent or comply with the "Best Interests of the Child" pursuant to ARS 25-403 or the court order that is in place. My brother and I have lost several years with our father, our other siblings, our grandparents, our uncle, and cousins as a result of these judges' failure to help us. Our grandfather who served this country in passed away on missing several years with his grandchildren during the last years of his life. This is unacceptable and is a disgrace.

What good is a Court Order, and Custodial Interference laws if the court who issues the court order won't even abide by it? our ex-stepfather did deceptively orchestrate our unlawful removal from the State of Arizona, and whether advertently or inadvertently, these judges did aide this violation of law therefore causing a loss of consortium with our father and other family members, and cause us severe emotional and mental trauma. Thank you for your immediate attention to this matter.

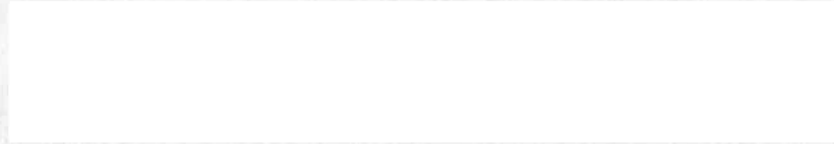

Sincerely,

-----

Case #

To whom it may concern:

I, \_\_\_\_\_, am writing to inform you that I have turned \_\_\_\_\_ years of age on \_\_\_\_\_. I am no longer enrolled in any school, and I have no immediate plans to re-enroll or take the GED at this time.

I am also writing to demand to know why you have continued to provide my current child support to mother in \_\_\_\_\_ when you have been notified several times with documentation showing that I have resided with my father here in Arizona since \_\_\_\_\_. I have not been provided with these child support funds at all.

My father intentionally had these funds taken out of his paycheck to ensure that his children received the funds he was paying.

Saying that the proper paperwork wasn't filed is absurd when you were notified several times, you still had knowledge, and I was entitled to these current child support funds and you obviously ignored the notifications. And you are still providing the current funds to my mother when I am \_\_\_\_\_ now, and I still reside with my father in Arizona.

I don't know what you can do at this point however this was wrong for you to do to me, and to my father. You are well aware he has my \_\_\_\_\_ year-old baby sister, and my \_\_\_\_\_ year-old grandmother with \_\_\_\_\_ to care for as well.

Sincerely,
