COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 23-140

Judge:

Complainant:

ORDER

September 22, 2023

The complainant alleged a superior court judge appeared in the same distribution list as the defendants on a minute entry and he believed the judge was on the side of the defendant.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission members Denise K. Aguilar, Barbara Brown, and Louis Frank Dominguez did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on September 22, 2023.

With the drug overdose, she battled for her life in the persistent vegetative state. I am seeking justice. I want to know why a judge is among the other defendant parties. Why judge is among or with the defendant? Looking for a favourable reply.

Yours Sincerely.
