**ORDER**

September 29, 2023

The complainant alleged improper legal rulings by a superior court commissioner hearing a criminal case.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission member Barbara Brown did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on September 29, 2023.

Even though defendant's deserves to maintain presumption of innocence in claim against him, Judge \_\_\_\_\_ refuses to see her position in protecting the defendant's civil liberties. Judge \_\_\_\_\_ allows County Attorney \_\_\_\_\_ to wrongfully convey there might be a reason to believe the possible obligation to register or there have been obligation to register as a "Sex Offender".

Note: \_\_\_\_\_ is common to be known to be slow to arrive to Court room and has been sent informative actions in such circumstances as this via motions to court including her name.
