Complainant:

**ORDER**

October 6, 2023

The Complainant alleged improper delay by a superior court judge hearing a criminal case.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission members Barbara Brown, Colleen E. Concannon, Louis Frank Dominguez, and Delia R. Neal did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on October 6, 2023.

**COMPLAINT AGAINST A JUDGE**

Name: \_\_\_\_\_ Judge's Name: \_\_\_\_\_

**Instructions:** Use this form or plain paper of the same size to file a complaint. Describe in your own words what you believe the judge did that constitutes judicial misconduct. Be specific and list all of the names, dates, times, and places that will help the commission understand your concerns. Additional pages may be attached along with copies (not originals) of relevant court documents. Please complete one side of the paper only, and keep a copy of the complaint for your records.

I am a witness in the murder trial where \_\_\_\_\_ is accused of killing \_\_\_\_\_. I never received any paperwork on the case number or attorneys names. I am filing this complaint today because I have been wrongfully investigated for over \_\_\_\_\_ years with no end in sight. I have contacted the judges office several times and I have been ignored and hung up on. This trial should have been over with a long time ago. This is not fair to me, who has to deal with the burden of the investigation, all because i went on a hike when I lived in \_\_\_\_\_. I have had several crimes committed against me in my life, all of which have had no justice to.

I am no longer willing to participate in this trial. I do like to be ignored and as an innocent citizen to the crime committed, I feel I am entitled to speak to someone and have representation. I also think \_\_\_\_\_ has not done enough to ensure this trial keeps the courts integrity intact. I want a thorough investigation into the way I have been treated as someone who has fully cooperated with your requests up to this point.
