COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 23-231

Judge:

Complainant:

ORDER

October 6, 2023

The Complainant alleged a justice of the peace was paid to dismiss each of his cases.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission members Barbara Brown, Colleen E. Concannon, and Louis Frank Dominguez did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on October 6, 2023.

. I understand the commission cannot reverse court orders or assign a new judge to a case I was told this agency could do something now that statement above tells me why will be here by other countries after a Country is over 200 years old it is Destroyed abd now I KNOW WHY THIS HAS HAPPENED THOUSANDS OF TIMES

Sent letter

I have had a lot of actions illegally done by the Court House and even the Boss there said to contact you as I was told to do before by the office. When I went to the Top Office office supervisors office. The boss when I explained everything that was done wrong for years last time she did a function little positive but this time she forced me out of there and I took a picture of the Security man with a pistol saying never come back here again. I can send a Copy taken of him to you. This is when I explained the towing company sold my car after I paid them for towing and parking with cash as me the Plaintiff paying thousands of dollars for the Court house costs each and Sending constables office over for delivery on each case times. Total Cost was over Plus several updates They sold my car and said, " Then when I went to the head office explaining what happened they said, " " This was after I filed cases and I Paid for them and after the first Cases sent me a registered letter saying don't file more because it will cost you more and we will have to pay them to have it dismissed by US. I went to the Department to Explain what happened and they said get out of here. When I was a Man in Collage I know would have been taken off the police request Towing list I have filed other cases that have treated me this way also. Years ago there were people in the Court Office all day to talk with members. Now years later I am the only one in the office sometimes with another because everything is so badly done. Now I know this is one of thousands of letters sent to you so responding quickly will be difficult but this is something that is controlling thousands of people Even the Judges in the Court House are not Americans. Judge said "

" and Judge said, "
and he did I have had over people in
at Government work say this is not the Same Country it used
to be.

(CJC Insert Sheet – Not Originally Submitted)

Here is What the Office has said.

Doing this car Salvaging and Selling is wrong if it is a Good Car paid for and salvaged by them to have then sell it, we will Close them if this Court Case is not Done Right Having you forced to pay them cash and not getting an identified receipt means they sell it because you cant prove you paid them. Now I cant talk to anyone at the office at all. They just want my email because he said we get thousands of them a Day. Now the Court House boss has told me the Judges on top are so bad this Court house is only percent of what it used to be and Thousands of people are mad at us not able to do things wright. The Judges on top are in charge and can not even be fired by us doing things wrong percent. So please help us or we being this bad with thousands of people will put you down in the next Election. Even when I called numbers given I was just given this email to send information to so many people that know me trying to do things wright

Read the Attached sheets about having me pay for the Towing And Parking in cash so you cant prove it was paid with no correct receipt and when the license plate was gone the Yard Manager helped me move out side of their park yard to their Signs of see my Website with pictures about & where they become Very rich illegally doing a Salvage on a good Car to Sell it to become Richer. The do it because you can not proved you paid them You Get no receipt with names on it. When I was a man in collage I would know this would change the company attitude or it would be closed. To discuss what is happening after I filled cases with the Court House they sent me a certified mailing letter saying “
