ORDER

October 6, 2023

The Complainants alleged improper legal rulings by a superior court commissioner hearing a civil case.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission members Barbara Brown, Colleen E. Concannon, and Louis Frank Dominguez did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on October 6, 2023.

I and believe there was a Judicial misconduct in our case. We will state the reason why I believe there was a misconduct as the Judge didnt want to provide evidence when I requested them. We requested the evidence to take to a signature analyst. The evidence I requested was a copy of the fraudulent check that was supposedly deposited into our bank accounts, the sum of . I would also like to receive the copies of the identification that was provided at the bank when the check was deposited, as banks request identification for large sums of money for at the time of a deposit. If the bank didnt ask for identification than the bank should be held responsible. I provided the Judge my bank statements years back where it shows no deposite was made. Even with what was provided it wasnt enough to prove our innocence and the Judge determined we were responsible for the fraud. We would also like to receive a copy of the file from us against us. That's why were here Honorable Judge requesting the case to be re-opened and we implore that you help us recieve Justice & the evidence against us and have a thorough investigation be completed as to where exactly the check went. Due to this case a lien was placed on my property, address
