COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 23-291

Judge:

Complainant:

**ORDER**

November 9, 2023

The Complainant alleged a justice of the peace (now retired) failed to investigate corrupt debt practices.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission member Colleen E. Concannon did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on November 9, 2023.

This judgement has caused me harm and hardship, as I am currently challenged with a domestic violence matter. Again, I can not be in two states at the same time. I have notified my employer, in reference to my information being compromised, and I believe it is a corrupt network. I have requested that Human Resources investigate and follow the money.

Only a judge can stop these corrupt debt practices, and the judges have refused to investigate.

Please see attached copy of O.o.P and letter from my brother stating I do not live at my mother's home in
