

State of Arizona
COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 23-294

Judge:

Complainant:

ORDER

November 17, 2023

The Complainant alleged improper legal rulings by a superior court judge hearing a family case.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Copies of this order were distributed to all appropriate persons on November 17, 2023.

This order that was issued in is all messed up and nothing makes sense on it. Please help me with this she does not deserve to be on the bench or solving cases in the state of Arizona. she doesn't like fathers and she takes the mother's side all the time .please have this case referred to another judge.
