COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 23-301

Judge:

Complainant:

ORDER

October 13, 2023

The Complainant alleged improper legal rulings by a municipal court judge hearing an injunction against harassment.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission members Barbara Brown and Colleen E. Concannon did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on October 13, 2023.

Looks like I have no choice, but to re-submit complaints

I was DENIED the right for my evidence at THE HEARING because the Judge ignored it all, but allowed to LIE

The CLAIM itself is DISCRIMNATORY AND FRIVOLOUS
