COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 23-309

Judge:

Complainant:

ORDER

November 17, 2023

The Complainant alleged failure to perform judicial duties by a superior court judge hearing a family case.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Copies of this order were distributed to all appropriate persons on November 17, 2023.

I believe Judge _____ has done me and all court cases in the past _____ months a massive disservice and has created an unfair and detrimental outcome to my divorce case. _____ was arrested _____ days prior to the _____ day deadline given to file a decree for my case. _____ had presided over my case since the original filing date of _____. _____ action of delaying the filing of the decree, and from what I have been informed on for herv other cases, has created havoc in the _____ Justice System, and has forced rulings (Specifically Mine and possibly others) to be handed over to other Judges who have not handed down representative rulings in comparison to the evidence given to Judge _____. Eventually my case was handed to Judge _____ who took another _____ days to file an Under Advisement Decree on _____, which in my estimation did not represent the facts and evidence of the case. In which there are still _____ rulings that Judge _____ has failed to rule on, which has drug on this matter far longer than needed. The hypocritical and extreme actions of Judge _____, who was ultimately given a laughable plea deal and allowed to remain on the bench, has caused me irreparable damages, and increased legal fees, of which I am still awaiting the unreasonable ruling of which I must pay some portion of my ex wife's legal fees, I am almost certain Judge _____ was not going to award the respondent (ex-wife). The overall outcome of Judge _____ illegal activity has had numerous unintended consequences, that have almost certainly fallen by the wayside by the _____ Superior Court and also it seems by the Judicial Conduct Commission, given she was able to continue to have her seat on the bench.
