

State of Arizona
COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 23-310

Judge:

Complainant:

ORDER

January 12, 2024

The Complainant alleged a superior court judge was biased in rulings and received a bribe from a criminal syndicate.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission member Barbara Brown did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on January 12, 2024.

Instructions: Use this form or plain paper of the same size to file a complaint. Describe in your own words what you believe the judge did that constitutes judicial misconduct. Unreasonable insufficient evidence for undue incarceration since
preliminary obvious prejudice, bias, and interest, have strong
reason to believe has received bribe from criminal syndicate
who stole defendants identity, cleared out bank account with hundreds
of thousands of dollars, state absolutely everything in his defendant's
existence including but not limited to: clothes, properties,
business, tools, equipment 401K, IRV, Speedboat, unemployment
benefits in states, tax returns, stimulus checks, pandemic
assistance, etc. Judge _____ unreasonably delayed my case for
years while statute of limitations expired on all complaints and
kept me incarcerated on solitary confinement being attacked
repeatedly by jailhouse snitches. Deliberately denied any and
all motions, delayed all fast and speedy trial petitions, intentionally
interfered and obstructed evidence gathering for self represented
defense, forced me to retain completely useless defense attorney who
absolutely will not assist nor even communicate. Does not explain
but acts more like prosecution instead of impartial judge. Corrupt
judge working for thieves. Incarcerate him.
