**ORDER**

January 12, 2024

The Complainant alleged a conflict of interest by a superior court commissioner.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission member Barbara Brown did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on January 12, 2024.

my Law Enforcement at AZ Attorney General Criminal Division Special Investigations. Chief Agent and Chief Counsel is who my Law Enforcement credentials first started under. I was never allowed to have a petition brought against me or a case of this kind brought against me because of my power in the system of the from dues out of my state employee paycheck and oath signed with my coworkers Attorney General Special Agent(s) who I signed an oath with Additionally former who was Attorney General Special Agent liked me and there are emails on the AG email server to back everything up. I am always entitled to my covered permanent position at AZ Attorney General in mother was a criminal case that was always open and it listed name. I opened the Criminal case on former Agency Director of inside the , and I used my Detective on . I passed a proctored test at AZ Attorney General in for .level These individuals, including the AG Attorney did not have any rights to take such action against me or restrict me from coming into the buildings listed where I worked and paid out of agency codes: and to the AZ Attorney General . It is quite the opposite with the actions I can take against the Education system in Arizona. Additionally, the building is the building and I am related to former President of the . I am also related to the and his son, and also because of my I can go anywhere in all the America's both North America and South America. I can go in any building in all of the America's both North and South. This gave a false impression to school across Arizona when I have minor children in the school system, and the actions I can take against the State AZ and Schools across Arizona. I was never allowed to hear and names again, and the illegally has their names in the case. I should never read or names since they are my conflicts of my Executive Branch Law Enforcement that started in , and all emails on the AG Email server. Additionally, my own State Retirement System, AZ State Retirement System has proof of all of my state employee deductions which are by my social security number in was prior to , and I know staff used which is incorrect and contained fraud actions against me. I found out when started in and found out in that did not transfer all of my Law Enforcement from the prior system in which all the payroll screens contained notes about my Law Enforcement. The oath that I signed to the AZ Attorney General was to always be regarded as Attorney General Special Agent and I am considered undercover until my retirement from AZ State Retirement System. I am never allowed to hear that someone filed a petition against me when I am protected. This case needs abolished. I will have to discuss this fraud action with the new and since I was a victim following. A mental health case was created that was also illegal since no one can bring a petition against me, and the AZ did not respect Executive Branch Law Enforcement and that I am undercover until retirement, and I was forced to a hospital by staff, when I can put under arrest a sworn office from my Executive Branch Law Enforcement. I am shocked that Police staff did not read the notes in my which are intimidating to city officers
