**ORDER**

February 12, 2024

The Complainant alleged a municipal court judge was not qualified to decide cases.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission member Regina L. Nassen did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on February 12, 2024.

**COMPLAINT AGAINST A JUDGE**

**Instructions:** Use this form or plain paper of the same size to file a complaint. Describe in your own words what you believe the judge did that constitutes judicial misconduct. Be specific and list all of the names, dates, times, and places that will help the commission understand your concerns. Additional pages may be attached along with copies (not originals) of relevant court documents. Please complete one side of the paper only, and keep a copy of the complaint for your records.

This is a formal complaint to the Arizona Commission on Judicial Conduct along with additional governmental agencies against \_\_\_\_\_ of the \_\_\_\_\_ Court. It has come to our attention that \_\_\_\_\_ who was not only confirmed but also stated to be a Judge does not have an oath of office on file to validate his position or any records which would solidify his occupation as an official judge sworn in by the governor of Arizona.

Upon conducting further and extensive research, there isn't any proof of \_\_\_\_\_ being an official Judge who has the power, authority or capacity to sit a bench as there are no documents relating to their oath of office anywhere on record that could be obtained.

Let the Arizona Commission on Judicial conduct be reminded that not only is it a violation against the Judicial Conduct Codes for judges to sit a bench and rule on cases while they've got no oath of office on file or record, but it can result in disciplinary actions such as censure, suspension or official and permanent removal from office.

Upon the filing of this formal complaint against \_\_\_\_\_ we hereby request the Arizona Commission on Judicial Conduct to further investigate this matter by not only conducting their own thorough investigation relating to the oath of office along with any records should there be any but we hereby also request for the commission of Judicial Conduct to provide any and all official and certified copies of any related oath of office documents for \_\_\_\_\_ should there be any.

Should we stand correct in \_\_\_\_\_ not having any recorded documents of oath of office on file, we urge the Arizona Commission of Judicial Conduct in taking the necessary steps of disciplinary action and consequences by placing it in full effect.

This is a request for a hearing regarding case \_\_\_\_\_ for the protective order in place filed by the plaintiff to be removed as the allegations within that claim is merely fiction and hearsay based on the wrongful doing towards the defendant with the plaintiff is constantly manipulating the judicial system.

Plaintiff has alleged weapons and the defendant having weapons in the order which is untrue and an act of perjury being committed by the plaintiff.

The plaintiff has also accused the defendant of having possession of a knife they've claimed to have seen before while romantically involved with the defendant and i would not only challenge and rebut against this heinous accusations, i would also challenge the court to order the the plaintiff in specifying the types of weapons owned by the defendant, where and how many times they've seen it in possession of the defendant which have allowed them to make such claims.
