COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 23-350

Judge:

Complainant:

ORDER

February 12, 2024

The Complainant alleged bias because of bad rulings by a superior court judge in family law case.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission member Regina L. Nassen did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on February 12, 2024.

[REDACTED] beginning at [REDACTED] since the beginning since first meeting with her after reading the docket has shown bias. Back to the trail upon entering the court room, we got sworn in. The other parties attorney submitted evidence and did not get to my council the day prior. I didn't get to see any of it at all. [REDACTED] has done this to me before with Judge [REDACTED] except what I received was not the correct paperwork. So my side not having reviewed it was admitted into evidence again the same but with a different Judge. Used against me illegally. We asked for extended time we were denied a month ago, but when [REDACTED] and council ask for it was immediately granted. If that is not bias that what should I call that. Something is certainly not right about all of

For the Judge I am sorry to have to do this, but things in my opinion were also not done honestly or ethically yesterday in my opinion. I do not want attorneys fees or child support I only really want my son back. I now I cannot afford to pay [Redacted] attorneys fees or child support I barely have enough for food and bills. Sometimes have to get help from other family. So stuff admitted and used against me without consent that was not OK in my opinion waiting on [Redacted] for complaint of [Redacted] court. I am tired of being pushed around so trying to see if hopefully making things right. I am feeling and doing fine. and I know I can

be a good fit parent to
my teenagers. Except again ~~tricked~~ tricked with the
paperwork like previously [redacted] attempted
again to get full custody and setting it up
so that I look crazy which I am not
I am stable on top of the evaluation setup
for [redacted] I set up an evaluation for
psychological evaluation for [redacted] at
[redacted]. I did all on my own nobody advised
me and also going to have another behavior
assessment done, that one is pending. need to
find provider. The only thing I ask for is
50/50 custody with final decision worked out
better that way because I wouldn't call the
police for every single thing with [redacted]
I would work it out with him. There is also
not a single video of me ever screaming at
him. because I never did. I am also fluent
spanish / Spanish is my first language. [redacted]
[redacted] in the past asked me to not speak SP
I never agreed [redacted] years ago the only 1 time
got to see [redacted] was about [redacted]. I was
the entire visit. And then wtf of for say
I Love you to [redacted] in Spanish. Thank you
