ORDER

November 27, 2023

The Complainant alleged dishonest conduct by a superior court judge conducting a settlement conference in a criminal case.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

I had judge _____ for a settlement confrence _____ where i asked him what is the jurisdiction is the court and he said statutory jurisdiction which is NON-EXSITENT. he also tried to mislead me and say arizona has not adopted the penal code. thats a lie and is also perjury, because the penal code has been adopted just changed the name to the criminal code but the same rules apply, so he blatantly tried to mislead me also told me he had no power to dismiss on any ground of due process violations or do anything but afirm trial dates. I also asked where can i find the published rules of procedure for but he mislead me again and said title 13 but that is just the penal code and he lied and said crimes have no monetary value attached secretly and thats what i was trying to satisfy with relief but the court and judge LIE and are rushing me to judgement trying to mislead me and insult my intellegence by say small lies to misdirect me from the true. judge grandville is in violation of DEPRIVATION OF RIGHTS UNDER COLOR OF LAW TITLE 18 SECTION 242 AND WILL BE CHARGED.
