COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 23-372

Judge:

Complainant:

ORDER

February 23, 2024

The Complainant alleged a justice of the peace showed bias by making improper rulings in collection cases.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission member Denise K. Aguilar did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on February 23, 2024.

In the case I have stated on form I had nothing to do with this at all and had put my name on this complaint . I made them and the courts aware of this the judge dismissed me from this case but then filed a reconsideration and the judge let them file a judgement on me as well The person that this belongs to is my Boyfriend and we are not married and it's on them to prove we are or arent is my understanding and we were to have a hearing but that was set aside because of their summary judgement Every time Judge signs it off with not all proof THEY had lack of proof and it was malicious Prosecution and they were in violation making false claims that we are married and saying that this was my responsibility as well . And judge signed it off . And yet no proof and not true and I'm getting slapped with a judgement that I know nothing about. And the Attorneys argument was comon law marriage and were not married and she states numerous times about spouse . And it was put through. And I had a collector take me to court and They were a no show and judge and the judge said dissmish without prejudice I said they didnt show up shouldnt that make it closed he said no their good for it and there again they didnt have all documents proving all their claims. and Judge let it go through again . And the same for Took me to court without all documents proving the facts and judge lets it go through with summary judgement It Exhibits biost conduct against me Thank you There is more But I feel totally defeated after all this and standing up for what I understood to be the law and got slapped down in every case and Im sorry I dont see any justice to this at all it's all for the crooks and they arent playing by the laws Thank you
