

State of Arizona
COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 23-410

Judge:

Complainant:

ORDER

April 12, 2024

The Complainant alleged a superior court judge improperly filed a bar discipline complaint against a lawyer.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission members Denise K. Aguilar and Joseph C. Kreamer did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on April 12, 2024.

Instructions: Use this form or plain paper of the same size to file a complaint. Describe in your own words what you believe the judge did that constitutes judicial misconduct. Be specific and list all of the names, dates, times, and places that will help the commission understand your concerns. Additional pages may be attached along with copies (not originals) of relevant court documents. Please complete one side of the paper only, and keep a copy of the complaint for your records.

Judge falsified a false complaint against my previous lawyer to remove him off my case. Also, the court and the Arizona court hide their decision suspending from practicing law in the state of Arizona without a hearing on the merits. For Judge knew that was simply doing his job defending me as an innocent man. But I guess Judge felt just because I wasn't a man, then could only defend my innocent. So far or not at all. Judge decided shining a light on bad cops, dirty prosecutors and alcoholic judges was taken it too far. And when judges rise and refused to do their jobs, held them accountable. An article by
