

State of Arizona
COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 23-461

Judge:

Complainant:

ORDER

May 24, 2024

The Complainant alleged improper legal rulings by a justice of the peace hearing a criminal matter.

The role of the Commission on Judicial Conduct is to impartially determine whether a judicial officer has engaged in conduct that violates the Arizona Code of Judicial Conduct or Article 6.1 of the Arizona Constitution. There must be clear and convincing evidence of such a violation in order for the Commission to take disciplinary action against a judicial officer.

The Commission does not have jurisdiction to overturn, amend, or remand a judicial officer's legal rulings. The Commission reviewed all relevant available information and concluded there was not clear and convincing evidence of ethical misconduct in this matter. The complaint is therefore dismissed pursuant to Commission Rules 16(a) and 23(a).

Commission members Barbara Brown and Delia R. Neal did not participate in the consideration of this matter.

Copies of this order were distributed to all appropriate persons on May 24, 2024.

FIRST JUDGE had to recuse himself due to previous case he and I were involved in. Enters JUDGE. This judge is a friend and constituent of judge. I was a process server for state of AZ. I know the internal heartbeat of the court house particularly. Judge has denied me to reinstate the original amt state ordered years ago. County attys later she has quashed every warrant has allowed defendant to pay dollars a month for last years, has denied me everything I have asked for. has incomes I have told her this over and over. She barely allows me to speak yet laughs and jokes with criminal and defendant during most proceedings. Same judge makes us file @ least three times to get him back in front of her as she denies us @ least three times each time. Defendant comes up with three pmts cash right before court.
