E. Transfer of Records to Arizona State Library, Archives and Public Records. Clerks shall comply with the following procedures for transfer of records to ASLAPR:

1. Records to be archived. For purposes of this schedule, all superior court records that have a retention period of fifty or more years shall be transferred from the clerk of court to the Archives Division of the Arizona State Library, Archives, and Public Records (ASLAPR) for permanent storage at the end of the retention period. To assist courts with inadequate file storage facilities, ASLAPR will accept records for archiving that are within five years of the end of their retention period.

2. Format of records. Until national standards for the long-term preservation of electronic records are in place, records transferred shall be in either paper or microfilm format. The film negatives of microfilmed records, if available, shall be sent to ASLAPR. If not available, ASLAPR will accept the use/diazo copy. If a film negative is transferred, the clerk may request a copy from ASLAPR in the event the clerk has retained a use/diazo copy that has become unusable due to physical deterioration. Prior to microfilming and purging paper records, the clerk shall notify the ASLAPR as required by Rule 29(E), Rules of the Supreme Court (“destruction notice”).

3. Indexing and packaging. Each record transfer shall be accompanied by a master index that identifies the cases being transferred by case number, initial caption, filing date, case type, and county. Identification of any historic or landmark cases shall also be noted on the index. The recommended means of packaging records for transfer to ASLAPR is:
 - an acid-free cardboard carton with the following dimensions: 18x15x12, although other types and sizes of cartons will be accepted.
 - records boxed in an upright position with file tabs easily visible.
4. Transfer notice and scheduling delivery. Each time records are transferred for permanent archiving, the record custodian shall complete the “Agreement to Transfer Records” form available on the ASLAPR website. Delivery and transfer of legal custody of records to the ASLAPR shall be done in accordance with processes established by ASLAPR. ASLAPR will charge no fees in connection with pickup, delivery and maintenance of permanently-archived court records.
5. Frequency of transfer. ASLAPR will accept records from the same county up to four times a year.

F. Historically Significant and Landmark Cases. Clerks shall comply with the following procedures for designating and archiving historically significant and landmark cases:

1. Designation of historically significant cases
 - a. Purpose. Certain cases filed in Arizona courts may be identified as historically significant because of the unique legal issue or controversy involved, the prominence of one or more of the parties to the action, or because of other high profile or newsworthy reasons. When there is reason to believe that a case falls into this category, the following procedures shall be observed to ensure these records are maintained for historical purposes, rather than destroyed under the term found in the records retention schedule.
 - b. Procedure for designating an historically significant case. A motion to designate a case as historically significant shall be filed either by a member of the public or on the court’s own motion. The motion shall identify one or more reasons for designating the case as historical.
 - c. Processing and archiving. The motion requesting historical case designation shall be filed prior to the transfer of the case file to ASLAPR. The clerk shall file the original order granting or denying the motion for historical case designation in the case file. The presiding judge or justice of the peace shall decide the motion. If the motion is granted, the clerk shall transfer the original intact case file, if any, and the microfilm, if any, to ASLAPR for permanent retention in accordance with the applicable schedule. Identification of the case as historically significant shall be prominently noted on the master index transferred along with the case file to the ASLAPR.
2. Designation of landmark cases

a. Identifying landmark cases

- (1) The following factors shall be considered in deciding whether a case is a landmark case:
 - (a) The frequency with which the case has been cited;
 - (b) Whether the case has been designated as historically significant;
 - (c) Whether the case caused a change in policies or laws;
 - (d) Whether the case affected a large portion of the community and was controversial;
 - (e) Whether the case is generally viewed by the community as important;
 - (f) Whether the case involved a famous or notorious individual or was the subject of a well-known book or feature film; and
 - (g) Any other factor considered relevant.
- (2) Any case that has been the subject of a published opinion of the United States Supreme Court shall be designated as a landmark case.

b. Procedure for designating a landmark case.

- (1) The Arizona Historical Records Advisory Board shall designate landmark cases eligible under section (F)(2)(a)(1) in consultation with a committee convened by the Board for this purpose. The committee shall consist of Board members, retired appellate court judges or justices, law professors, historians, or other like persons who have objective, informed views about the long-term significance and effect of eligible published appellate opinions. The committee shall meet periodically to review all published appellate opinions no less than five years and no more than nine years after they are issued to determine which cases should be designated as landmark cases.
- (2) No more than ten years after the opinion was issued, and with the Board's approval, the Director of the Division of Arizona History and Archives shall provide written notice of landmark designation to the clerk of the superior court in the county of origin, the clerk of the appropriate division of the court of appeals, and the clerk of the supreme court who shall apply the process for landmark case file processing contained in retention and disposition schedules applicable to their respective courts.
- (3) Landmark designation under subsection (1)(B) herein shall be made by the clerk of the superior court in the county of origin.

c. Processing and archiving. The landmark case designation shall be made prior to the transfer of the case file to the Arizona State Library and Archives. The clerk shall file the original notice of designation in the case file. If the case file has not yet been purged, the clerk shall transfer the original intact case file and microfilm, if any, to the Arizona State Library, Archives and Public Records for permanent retention in accordance with

the applicable schedule. Identification of the case as a landmark case shall be prominently noted on the master index transferred along with the case file to the ASLAPR.
