SECTION 3 SPECIFICATIONS

BACKGROUND:

The Arizona Court Appointed Special Advocate (CASA) Program is a statewide community-based volunteer organization administered by the Arizona Supreme Court. CASA offices serve the juvenile courts in each of the 15 counties in Arizona. CASA volunteers advocate to the court the best interests of abused and neglected children. One of the many screening requirements to be accepted into the CASA Program is a polygraph examination. In fiscal year 2008, it is expected that approximately 300 applicants will take the polygraph examination.

The Probation Departments and Juvenile Courts in the 15 counties of Arizona are administered locally within guidelines established by the Arizona Supreme Court. Each department or Juvenile Court may choose to use a polygraph examination as a component of the hiring process for selected applicants. A polygraph examination may also be required of currently employed Probation Officers and Surveillance Officers requesting authorization to carry firearms.

The chief probation officer or director of juvenile court services may require that the applicant or requesting officer submit to a polygraph examination to inquire about matters that would reasonably be the basis for declining employment or not authorizing an officer to carry a firearm including, but not limited to, sexual misconduct, use of excessive force and abuse of authority. A polygraph examination may also be used to question particular applicants or officers where the truthfulness or accuracy of information provided in the application or request to be armed is at issue.

PROVIDER QUALIFICATIONS:

- A. PROVIDER and PROVIDER's examiners shall have graduated from an accredited American Polygraph Association (APA) school.

- J. PROVIDER shall maintain an effective quality control process that allows for independent review of all documentation, polygraph charts and reports by reviewers selected by the COURT.
- K. PROVIDER will ensure the applicants rights to privacy and informed consent are protected in compliance with all applicable federal and state laws including, but not limited to, the Health Insurance Portability and Accountability Act of 1996 (Public Law 104-191)(HIPAA) and the regulations promulgated thereunder.

CREDENTIAL VERIFICATION:

- A. PROVIDER must submit copies of resumes, certificates of expertise and college degrees for all employees providing direct services to the applicants referred by the COURT. Resumes must include both education and related work experience.
- B. PROVIDER's employees who have contact with applicants must submit to a background check by the COURT. The background check may include a criminal records check. PROVIDER must also direct its employees to the County Sheriff's Department to be fingerprinted prior to any contact with applicants. PROVIDER shall be responsible for any cost associated with fingerprinting of its employees.

- C. PROVIDER will obtain a signed background check release form from employees who have contact with applicants. PROVIDER shall provide the signed background check release form to the COURT prior to any contact with applicants. A background check typically takes two to three weeks to complete, although the COURT cannot guarantee a specific time frame. PROVIDER's employees shall not have contact with applicants until the COURT has completed the background investigation and given permission for the employee to have such contact.
- D. The COURT reserves the right to deny the utilization of an employee of the PROVIDER for the purposes of this contract. The decision of the COURT as to the eligibility of the employee for contact with applicants is final and not appealable. Pursuant to state law, the information derived from the background check cannot be divulged to the PROVIDER, the PROVIDER's employee or any other unauthorized party.

In the event of termination, the Contractor shall stop all work as specified in the notice of termination and immediately notify all subcontractors in writing to do the same. The Contractor shall be paid the Contract price for all services and items completed up to the date of termination, and shall be paid its reasonable, actual costs for work in progress as determined by generally accepted accounting principles and practices. Upon such termination, the Contractor shall deliver to the Court a complete set of all documents, programs, and other information described in the Contract.
- b. Undue Influence. The Court may, by written notice to the Contractor, also terminate this Contract if it is found that gratuities in the form of entertainment, gifts, or otherwise were offered or given by the Contractor or any agent or representative of the Contractor, to any officer or employee of the Court with a view toward securing a contract or securing favorable treatment with respect to the awarding or amending or the making of any determinations with respect to the performance of such Contract. If the Contract is terminated under this section, the Court shall be entitled, in addition to any other rights and remedies, to recover or withhold from the Contractor the amount of the gratuity. Paying the expense of normal business meals which are generally made available to all eligible customers shall not be prohibited by this paragraph.
- c. Conflicts of Interest. The Court may cancel this Contract without penalty or further obligation pursuant to A.R.S. § 38-511, if any person significantly involved in initiating, negotiating, securing, drafting, or creating the Contract on behalf of the Court is or becomes at any time, while the Contract or any extension of the Contract is in effect, an employee of any other party to the Contract in any capacity or a consultant to any other party to the Contract with respect to the

subject matter of the Contract. Cancellation shall be effective when written notice from the Court is received by all parties to the Contract unless the notice specifies a later time.

16. Default.

- a. General Procedure. The Court, in addition to other rights set forth elsewhere in the Contract, may at any time terminate this Contract, in whole or in part, effective ten (10) days after mailing written notice of termination by certified mail, return receipt requested, to the Contractor, if it is determined the Contractor has failed to perform any requirements of this Contract or has failed to make satisfactory progress toward performance. The Contractor shall continue the performance of this Contract to the extent not terminated under the provisions of this section.
- b. Alternative Services. In the event the Court terminates this Contract in whole or part as provided in this section, the Court may procure, upon such terms and in such manner as it may deem appropriate, services similar to those so terminated, and unless the Contractor is a governmental agency, instrumentality, or subdivision thereof, it shall be liable to the Court for any excess costs incurred by the Court in obtaining such similar services.
- c. Partially Completed Reports. If this Contract is terminated as provided herein, the Court, in addition to any other rights provided in this section, may require the Contractor to transfer title to and deliver to the state, in the manner and to the extent directed by the Court, such partially completed reports or other documentation as the Contractor has specifically produced or specifically acquired for the performance of such part of this Contract as has been terminated. Payments for completed reports and other documentation delivered to and accepted by the Court shall be at the Contract price. Payment for partially completed reports and other documentation delivered to and accepted by the Court shall be in an amount agreed upon by the Contractor and the Court.

17. Recoupment of Contract Payments.

- a. Unearned Funds. Any unearned Court funds that have been paid to the Contractor and remain in its possession at the end of the Contract period, or at the time of termination of the Contract, shall be refunded to the Court within thirty (30) days thereafter.
- b. Inappropriate Expenditures. The Contractor shall reimburse the Court for all Contract funds expended which are determined by the Court or the Auditor General not to have been spent by the Contractor in accordance with the terms of this Contract.
- c. Audit Exceptions. If state or federal audit exceptions are made relating to this Contract, the Contractor shall reimburse all costs and fees of whatever nature incurred by the State of Arizona and the Court associated with defending against the audit exception or performing an audit or follow-up audit.

18. Disputes.

- a. General Procedure. If any dispute arising under the Contract is not disposed of by agreement between the parties then the contract administrator identified in the notice section of this Contract shall decide the dispute in writing and send a copy of the decision to the Contractor. The contract administrator's decision may be appealed according to Supreme Court Administrative Policy 7.04. Pending the final decision of a dispute hereunder, the Contractor shall proceed diligently with the performance of the Contract in accordance with the contract administrator's decision.
- b. Arbitration. After exhausting applicable administrative reviews, the parties agree to use arbitration where the sole relief sought is monetary damages of ten thousand dollars (\$10,000) or less, exclusive of interest and costs, pursuant to A.R.S. Sec. 12-1518.

19. Patents and Copyrights. The Contractor, at its own expense, will defend any claim or suit which may be brought against the state for the infringement of United States patents or copyrights arising from the Contractor's or Court's use in its original form of any equipment, materials, or information prepared or developed by the Contractor in connection with performance of this Contract, and in any suit will satisfy any final judgement for such infringement. The Court will give the Contractor written notice of such claim or suit and full rights and opportunity to conduct the defense thereof, together with full information and all reasonable cooperation. If principles of governmental or public law are involved, the Court or the State may participate in the defense of any such action, but no costs or expenses shall be incurred for the account of Contractor without written consent.

If, in Contractor's opinion, the equipment, materials, or information mentioned here is likely to or does become the subject of a claim of infringement of a United States patent or copyright, then, without diminishing Contractor's obligation to satisfy any final award, Contractor may, with the Court's written consent, substitute other equally suitable equipment, materials, and information, or at Contractor's option and expense, obtain the right for Contractor or the Court to continue the use of such equipment, materials, and information.

20. Non-Discrimination. The parties agree to comply with all applicable state and federal laws, rules, regulations and executive orders governing equal employment opportunity, immigration, nondiscrimination, including the Americans with Disabilities Act, and affirmative action. Contractor shall include a clause to this effect in all subcontracts related to this Contract.

21. General Requirements.

- a. Applicable Law. The laws and regulations of the State of Arizona shall govern the rights of the parties, the performance of this Contract, and any disputes thereunder. Any action relating to this Contract shall be brought in an Arizona court. Any changes in the governing laws, rules, and regulations during the term of this Contract shall apply but do not require an amendment.

- b. Unenforceability of Provisions. If any provision of this Contract is held invalid or unenforceable, the remaining provisions shall continue valid and enforceable to the full extent permitted by law.
- c. Licenses and Permits. The Contractor shall, at its expense, obtain and maintain all licenses, permits, and authority necessary to do business, render services, and perform work under this Contract, and shall comply with all laws regarding unemployment insurance, disability insurance, and worker's compensation. The Contractor shall maintain in current status all federal, state and local licenses, permits and authority.
- d. Independent Contractor Status. Contractor is an independent contractor in the performance of work and the provision of services under this Contract and is not to be considered an officer, employee, or agent of the State of Arizona or Court.
- e. Failure to Waive Compliance. Acceptance by administration of performance not in strict compliance with the terms hereof shall not be deemed to waive the requirement of strict compliance for all future performance obligations.
- f. Certification of Employee Status. The Contractor certifies that no individual or agent has been employed or retained to solicit or secure this Contract for a commission, percentage, brokerage, or contingent fee, except a bona fide employee maintained by the Contractor to secure business.

22. Notices. Notice required pursuant to the terms of this Contract shall be in writing and shall be directed to the Court's contract administrator and the Contractor's representative at the addresses specified immediately below or to such other persons or addresses as either party may designate to the other party by written notice. 23. Criminal History Check. The Court may require the Contractor to provide identifying information for the Contractor and any individuals working in judicial facilities or having access to judicial information for the purposes of conducting a criminal history records check for security purposes. The Contractor agrees to cooperate with such requests and understands that the Court may terminate this Agreement if the results of the criminal history records check would disqualify the Contractor or individual and there is no acceptable alternative.

24. Amendments and Waivers. Amendments to this Contract shall be in writing and shall be signed by all parties to the Contract. To the extent that any amendments to the Contract are in conflict with the basic terms and conditions of the Contract, the amendments shall control the interpretation of the Contract. No condition or requirement contained in or made a part of this Contract shall be waived or modified without a written amendment to this Contract.

25. Statewide Purchasing. Any Arizona court, or any political subdivision on behalf of a court may procure material or services described in this Contract for use by Arizona courts or judicial branch units.
