## SECTION 1 INTRODUCTION AND OVERVIEW

### 1. Introduction

The Arizona Supreme Court (hereinafter referred to as the Court) is requesting responses from qualified vendors who wish to be pre-qualified to provide website re-design services on an "as-needed" basis. Bidders who wish to submit a sealed response based upon the specifications and conditions in this document shall submit it by 3:30 P.M. Arizona Time on May 8, 2007 in accordance with the schedule below.

This Request for Qualification (RFQ) is being issued solely for the procurement of contracts for website re-design services in which no warranty, express or implied, is made to the contractor(s) by the Arizona Supreme Court that any services will be purchased during the term of the contract. Any contract(s) awarded pursuant to this RFQ shall state that the services will be purchased only on an "as needed" basis. The specific tasks, deliverables, and costs for services purchased under any contract(s) awarded pursuant to this RFQ shall be detailed in a written work order, signed by both parties.

It is the intention of the Arizona Supreme Court to award contracts for a two-year period with options to extend for up to two additional years, pending availability of funds and satisfactory contractor performance. Multiple contracts may be awarded.

The Arizona Supreme Court reserves the right to issue other Invitations for Bids, Requests for Proposals, or Requests for Qualification for the same or similar services as specified in this RFQ during the term of any contract(s) awarded pursuant to this RFQ, as dictated by the scope or nature of services needed and the Rules Prescribing Procurement Policies and Procedures for the Judicial Branch.

The public opening will be conducted at 3:30 P.M. Arizona Time on May 8, 2007 at the Arizona State Courts Building, 1501 W. Washington, Conference Room 230, Phoenix, Arizona.

**2. Pre-bid Conference**

A pre-bid conference will NOT be held. See "Explanation to Offerors" on page 7.

**3. Response Schedule**

<b>Activity</b>	<b>Date</b>
a. Request for Qualification (RFQ) published	April 10, 2007
b. Deadline to Submit Written Questions	April 24, 2007
c. Response Due Date*	May 8, 2007

The Court reserves the right to deviate from this schedule.

**\* Responses received after 3:30 P.M. Arizona Time on May 8, 2007 will be accepted but will not be opened and will not be taken into consideration in the evaluation of responses.**

**4. Response Evaluation**

Following the public response opening, responses will be evaluated based upon the criteria outlined in Section 4 of this document. The contract(s) shall be entered into with the responsible bidder(s) whose response is determined in writing to be the most advantageous to the Judicial Branch Unit taking into consideration the evaluation factors set forth in the Request for Qualification. The Court reserves the right (prior to contract award) to inspect a vendor's facilities, and to consider other sources of information to determine evaluation scores.

No other factors or criteria may be used in the evaluation. The amount of any applicable transaction privilege or use tax of a political subdivision of this state is not a factor in determining the most advantageous response if a competing bidder located outside of this state is not subject to a transaction privilege or use tax of a political subdivision of this state.

This RFQ does not commit the Arizona Supreme Court to award any contract or to pay any costs incurred in the preparation of responses. The Court reserves the right to accept or reject, in whole or in part, all responses submitted and/or to cancel this RFQ. Multiple contracts may be awarded.

**5. Response Discussions**

Discussions may be conducted with responsible bidders who submit responses determined to be reasonably susceptible to permit a contractual agreement for the purpose of clarification to assure full understanding of, and responsiveness to, the solicitation requirements. Bidders shall be accorded fair treatment with respect to any opportunity for discussion and revision of responses, and such revisions may be permitted after submissions and before finalization of a contract for the purpose of obtaining best and final offers. In conducting discussions, there shall be no disclosure of any information derived from responses submitted by competing bidders.

**6. Americans with Disabilities Act**

People with disabilities may request special accommodations such as interpreters, alternative formats, or assistance with physical accessibility. Requests should be made as early as possible to allow time to arrange the accommodation.

If you require special accommodations, please call (602) 452-3329 or text telephone (TDD) 452-3545.

### SECTION 3 SPECIFICATIONS

#### **Objective:**

The re-design of the Supreme Court website is expected to take place in several phases. The first phase is to prepare a needs assessment and analysis of our current website, and to design options for a new website. Subsequent phases will involve the construction of the new website. The purpose of this RFQ is to contract with a vendor, or vendors, who are qualified to complete one, or all, phases. Depending upon the results of phase one, a separate procurement may be done for subsequent phases.

#### **Current Environment:**

A Single Internet Web Server (<http://www.supreme.state.az.us>) running in production using Microsoft based web server products.

No Web Development server (no mirror) and not using Visual Source Safe for file check-in/check-out.

A Web Applications Server for various applications. Almost all .Net based.

A Notification Server for Public Access.

Internet Web site structure consists of a single Root web, 108 FrontPage parent sub webs and 40 child sub webs which vary in size from 1 MB to 800MBs. Approximately 40 other virtual directories on web server.

Approximately 65 Court Staff PCs are used as the web development environment for individual sub webs. Utilizing Personal Web Server on their desktop PC, Court Staff maintain web pages via HTTP with FrontPage 2003 software.

Microsoft FrontPage 2002 Server Extensions are being utilized on both servers to provide web page administration, access, and various other extension functions such as Forms, date, mailto, includes collect/send data and several other dynamic functions.

Other required applications running in our current web environment are as follows:

Rules Discussion Forum – DotNetNuke

<http://www.dnnsupremecourt.state.az.us/AZSupremeCourtMain/AZCourtRulesMain/CourtRulesForumMain/tabid/89/Default.aspx>

E. No individual or agent has been employed or retained to solicit or secure this Contract for a commission, percentage, brokerage or contingent fee, except a bona fide employee maintained by Contractor to secure business. This paragraph does not apply to payment of fees for assistance in marketing, installation, and support or for any other purpose in performance of this Contract.

**2. AVAILABILITY OF FUNDS**

Payments for contractual obligations are contingent on funds for that purpose being appropriated, budgeted, and otherwise made available, and the provisions of the Contract shall be effective only when funds appropriated for the purpose of compensating Contractor actually are available to the Court for disbursement. The Administrative Director of the Courts shall be the sole judge and authority in determining the availability of funds under the Contract and shall keep the Contractor informed as to the availability of funds. The Court shall not be liable for any purchases or subcontracts entered into by Contractor in anticipation of funding.

**3. GRATUITIES**

The Court may, by written notice to the Contractor, terminate the Contract if it is found that gratuities in the form of entertainment, gifts, or otherwise were offered or given by the Contractor or any agent or representative of the Contractor, to any officer or employee of the Court or the state with a view toward securing a contract or securing favorable treatment with respect to the awarding or amending or the making of any determinations with respect to the performance of such Contract. Any action relating to this Contract shall be brought in an Arizona Court in Maricopa County. Any changes in the governing laws, rules and regulations during the term of this Contract shall apply and do not require an amendment to this Contract.

**5. ARIZONA PROCUREMENT CODE**

The Arizona Procurement Code (ARS Title 41, Chapter 23) and the Arizona Supreme Court Rules Prescribing Procurement Policies and Procedures for the Judicial Branch (Judicial Branch Procurement Rules) are incorporated as a part of this document as if fully set forth herein.

Each and every provision of law and any clause required by law to be in the Contract shall be read and enforced as though it were included herein, and if through mistake or otherwise any such provision is not inserted, or is not correctly inserted, then upon the application of either party the Contract shall forthwith be physically amended to make such insertion or correction.

**9. CONFLICTS OF INTEREST**

The Court may cancel this Contract without penalty or further obligation pursuant to ARS §38-511, if any person significantly involved in initiating, negotiating, securing, drafting, or creating the Contract on behalf of the Court is or becomes at any time, while the Contract or any extension of the Contract is in effect, an employee of any other party to the Contract in any capacity or a consultant to any other party to the Contract with respect to the subject matter of the Contract. Cancellation shall be effective when written notice from the Court is received by all parties to the Contract unless the notice specifies a later time.

**10. SEVERABILITY**

If any provision of the Contract is held invalid or unenforceable, the remaining provisions shall continue valid and enforceable to the full extent permitted by law.

**11. RELATIONSHIP OF PARTIES**

It is clearly understood that each party shall act in its individual capacity and not as an agent, employee, partner, joint venturer, or associate of the other. An employee or agent of one party shall not be deemed or construed to be the employee or agent of the other party for any purpose whatsoever. The Contractor is an independent contractor in the performance of work and the

provision of services under this Contract, and taxes or Social Security payments shall not be withheld from a Court payment issued hereunder.

**12. INTERPRETATION**

This Contract is intended by the parties as a final, complete and exclusive statement of the terms of their agreement. No course of prior dealings between the parties and no usage of the trade shall be relevant to supplement or explain any term used in this Contract. Acceptance or acquiescence in a course of performance rendered under this Contract shall not be relevant to determine the meaning of this Contract even though the accepting or acquiescing party has knowledge of the nature of the performance and opportunity to object. Whenever a term defined by the Arizona procurement code or the Judicial Branch Procurement Rules is used in this Contract, the definition contained in this code or these rules shall control with the provisions of the Judicial Branch Procurement Rules governing in the case of conflicting terms.

**13. ASSIGNMENT - DELEGATION**

No right or interest in this Contract shall be assigned by the Contractor or the Court without prior written permission of the other party, and no delegation of any duty of the Contractor or the Court shall be made without prior written permission of the other party. The Court and the Contractor will not unreasonably withhold approval and will notify the other of its position within 15 days of receipt of written notice by the other. Any attempt to assign any of the rights, duties or obligations of this Contract, or otherwise assign any item acquired under this Contract, without such consent is void.

**14. SUBCONTRACTS**

No subcontract shall be entered into by the Contractor with any other party to furnish any of the material, service or construction specified herein without the advance written approval of the Court. All subcontracts shall comply with Federal and State laws and regulations which are applicable to the services covered by the subcontract and shall include all the terms and conditions set forth herein which shall apply with equal force to the subcontract, as if the subcontractor were the Contractor referred to herein. The Contractor is responsible for Contract performance whether or not subcontractors are used. The Court shall not unreasonably withhold approval and shall notify the Contractor of the Court's position within 15 days of receipt of written notice by the Contractor.

**15. RIGHTS AND REMEDIES**

No provision in this document or in the Contractor's offer shall be construed, expressly or by implication as a waiver by either party of any existing or future right and/or remedy available by law in the event of any claim of default or breach of contract. The failure of either party to insist upon the strict performance of any term or condition of the Contract or to exercise or delay the exercise of any right or remedy provided in the Contract, or by law, or the acceptance of materials or services, or the payment for materials or services, shall not release either party from any responsibilities or obligations imposed by this Contract or by law, and shall not be deemed a waiver of any right of either party to insist upon the strict performance of the Contract.

## 16. DISPUTES

**A. Contract Administrator Procedure.** If any dispute arising under this Contract is not disposed of by agreement between the parties within thirty (30) days, then the Court contract administrator identified in this Contract shall decide the dispute in writing and send a copy of the decision to Contractor.

**B. Appeals.** If the Court contract administrator's decision is not acceptable to Contractor, the dispute shall be resolved in accordance with the procedures set forth in Supreme Court Administrative Policy 7.04.

**C. Continued Performance.** The Court and the Contractor agree that the existence of a dispute notwithstanding, they will continue without delay to carry out all their responsibilities under this Contract that are not affected by the dispute.

## 17. WARRANTIES

Contractor warrants that all material, service or construction delivered under this Contract shall conform to the specifications of this Contract. Mere receipt of shipment of the material, service, or construction specified, and any inspection incidental thereto by the Court, shall not alter or affect the obligations of the Contractor or the rights of the Court under the foregoing warranties. Additional warranty requirements may be set forth in this document.

**18. INDEMNIFICATION**

Contractor shall indemnify, defend, and save harmless the Court from any and all claims, demands, suits, actions, proceedings, loss, cost, and damages of every kind and description, including any reasonable attorneys' fees and/or litigation expenses, which may be brought or made against or incurred by the Court on account of loss of or damage to any property or for injuries to or death of any person, caused by, arising out of, or contributed to, in part, by reasons of any act, omission, professional error, fault, mistake, or negligence of the Contractor, its employees, agents, representatives, or subcontractors, their employees, agents or representatives in connection with or incidental to the performance of this Agreement, or arising out of worker's compensation claims, unemployment compensation claims, or unemployment disability compensation claims of employees of Contractor and/or its subcontractors or claims under similar such laws or obligations. Contractor's obligation under this Section shall not extend to any liability caused by the negligence of the Court, or its employees.

**19. OVERCHARGES BY ANTITRUST VIOLATIONS**

The Court maintains that, in actual practice, overcharges resulting from antitrust violations are borne by the purchaser. Therefore, to the extent permitted by law, the Contractor hereby assigns to the Court any and all claims for such overcharges as to the goods or services used to fulfill the Contract.

**20. FORCE MAJEURE**

- A. Except for payment of sums due, neither party shall be liable to the other nor deemed in default under this Contract if and to the extent that such party's performance of this Contract is prevented by reason of force majeure. The term "force majeure" means an occurrence that is beyond the control of the party affected and occurs without its fault or negligence. Without limiting the foregoing, force majeure includes acts of God, acts of the public enemy; war; riots; strikes; mobilization; labor disputes; civil disorders; fire; flood; lockouts; injunctions-intervention-acts, or failures or refusal to act by government authority; and other similar occurrences beyond the control of the party declaring force majeure which such party is unable to prevent by exercising reasonable diligence. The force majeure shall be deemed to commence when the party declaring force majeure notifies the other party of the existence of the force majeure and shall be deemed to continue as long as the results or effects of the force majeure prevent the party from resuming performance in accordance with this agreement.
- B. Force majeure shall not include the following occurrences:

(1) Late delivery of equipment or materials caused by congestion at a manufacturer's plant or elsewhere, or an oversold condition of the market.

(2) Late performance by a subcontractor unless the delay arises out of a force majeure occurrence in accordance with this force majeure term and condition. Any delay or failure in performance by either party hereto shall not constitute default hereunder or give rise to any claim for damages or loss of anticipated profits if, and to the extent that such delay or failure is caused by force majeure.

- C. If either party is delayed at any time in the progress of the work by force majeure, the delayed party shall notify the other party in writing of such delay, as soon as is practical, of the commencement thereof and shall specify the causes of such delay in such notice. Such notice shall be hand delivered or mailed certified-return receipt and shall make a specific reference to this article, thereby invoking its provisions. The delayed party shall cause such delay to cease as soon as practicable and shall notify the other party in writing when it has done so. The time of completion shall be extended by contract modification for a period of time equal to the time that results or effects of such delay prevent the delayed party from performing in accordance with this Contract.

## **21. RIGHT TO ASSURANCE**

Whenever one party to this Contract in good faith has reason to question the other party's intent to perform, he may demand that the other party give a written assurance of this intent to perform. In the event that a demand is made and no written assurance is given within five (5) days, the demanding party may treat this failure as an anticipatory repudiation of the Contract.

## **22. RECORDS**

Pursuant to provisions of Title 35, Chapter 1, Article 6 Arizona Revised Statutes §35-214 and §35-215 each Contractor shall retain, and shall contractually require each subcontractor to retain, all books, accounts, reports, files and other records relating to the acquisition and performance of the Contract for a period of five (5) years after the completion of the Contract. All such documents shall be subject to inspection and audit at reasonable times. Upon request, a legible copy of any or all such documents shall be produced at the offices of the Auditor General, the Attorney General, the Supreme Court or any agency doing business under this Contract. This paragraph does not apply to confidential information or trade secrets, such as product costing data, research and development data, and the like.

**23. ADVERTISING**

Contractor shall not advertise or publish information concerning this Contract, without prior written consent of the Court. The Court shall not unreasonably withhold permission.

**24. RIGHT TO INSPECT PLANT**

The Court may, at reasonable times, and at the Court's expense, inspect the plant or place of business of a Contractor or subcontractor which is related to the performance of any contract as awarded or to be awarded, in accordance with the Judicial Branch Procurement Code.

**25. INSPECTION AND ACCEPTANCE**
