Temporary Extensions

Review of Temporary Extension

Rhonda Simmons reported court reporter, Royce Conner, believes he has sent the necessary documentation requesting an extension of temporary certification. Ms. Simmons summarizes Mr. Conner's letter and extensive documentation regarding his medical condition. Mr. Conner's medical condition is ongoing and is a physical condition not a psychological condition. The Board inquired regarding recent medical documentation. The latest documentation from Mr. Conner related to a 2003 hospitalization. The Guidelines require Mr. Conner to submit a statement from a medical professional regarding his current condition that addresses Mr. Conner's ability to take or pass the RPR exam.

A **motion** was made by Judge Philip Hall and seconded by William E. Druke to extend temporary certification to Royce Conner until April 30, 2004. Royce Conner shall supply the Board with a comprehensive medical opinion regarding his medical extenuating circumstances by March 31, 2004. Motion passed. **BCCR-04-025**
